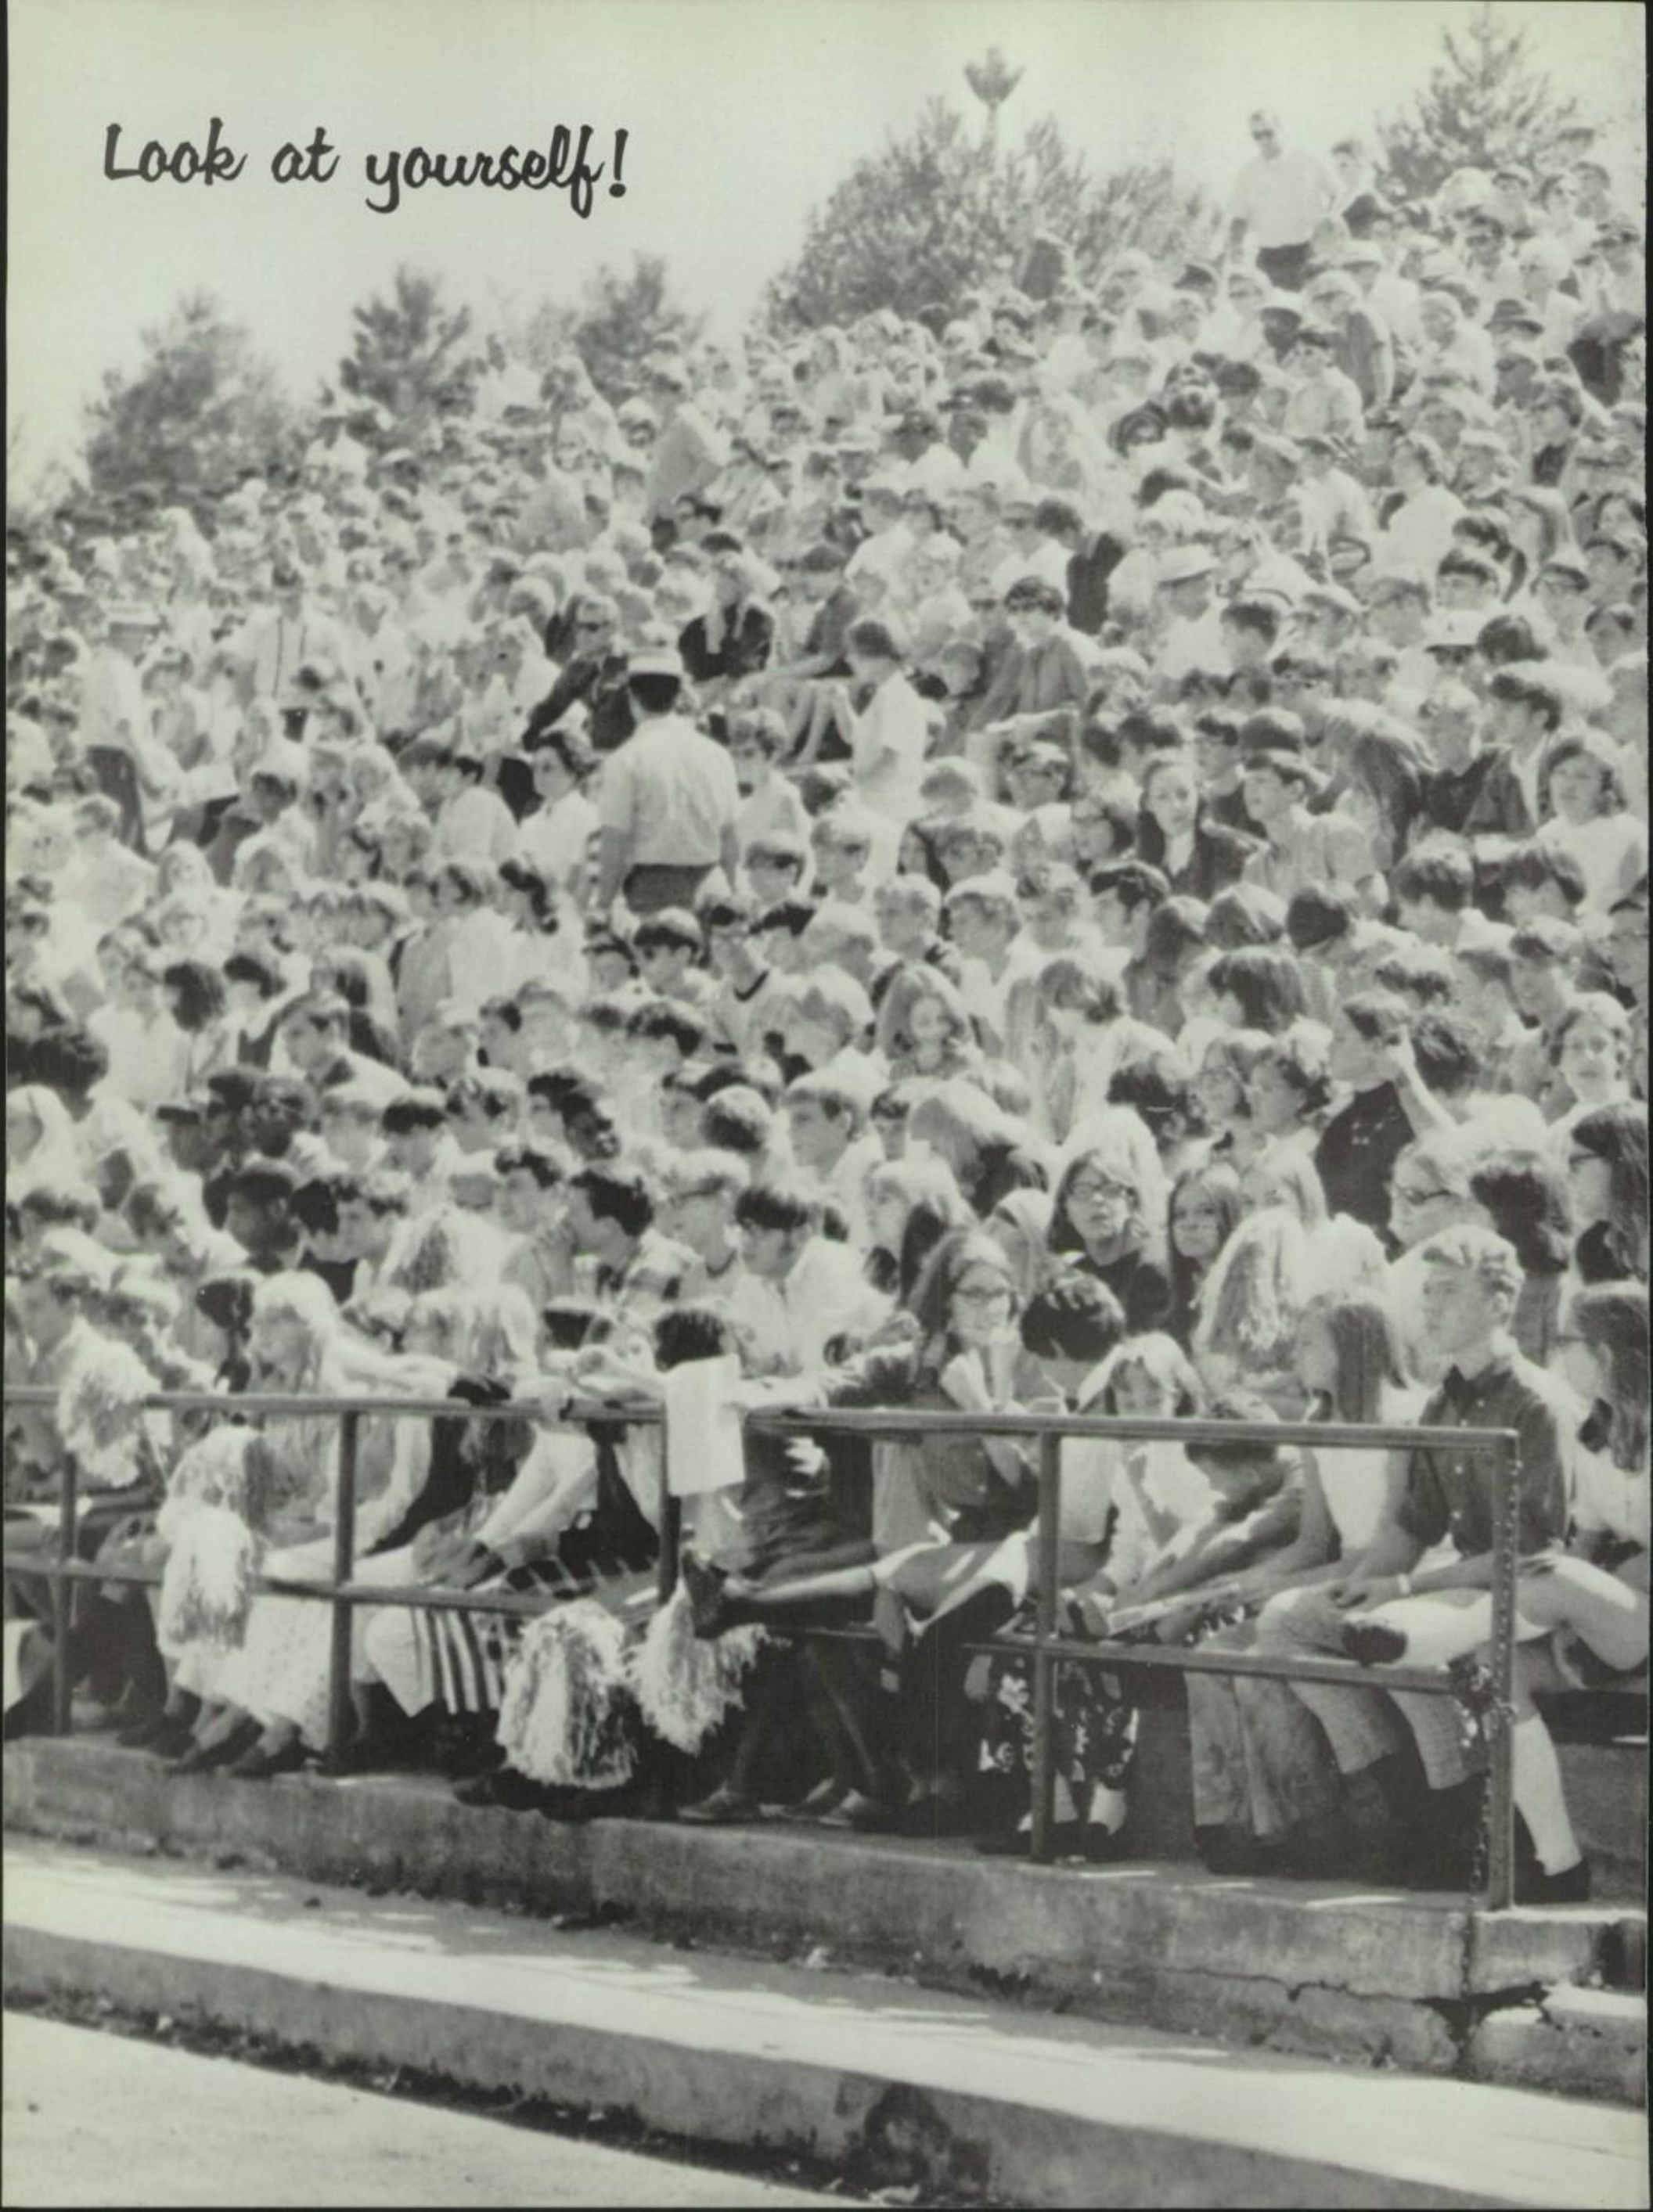
Look at yourself!



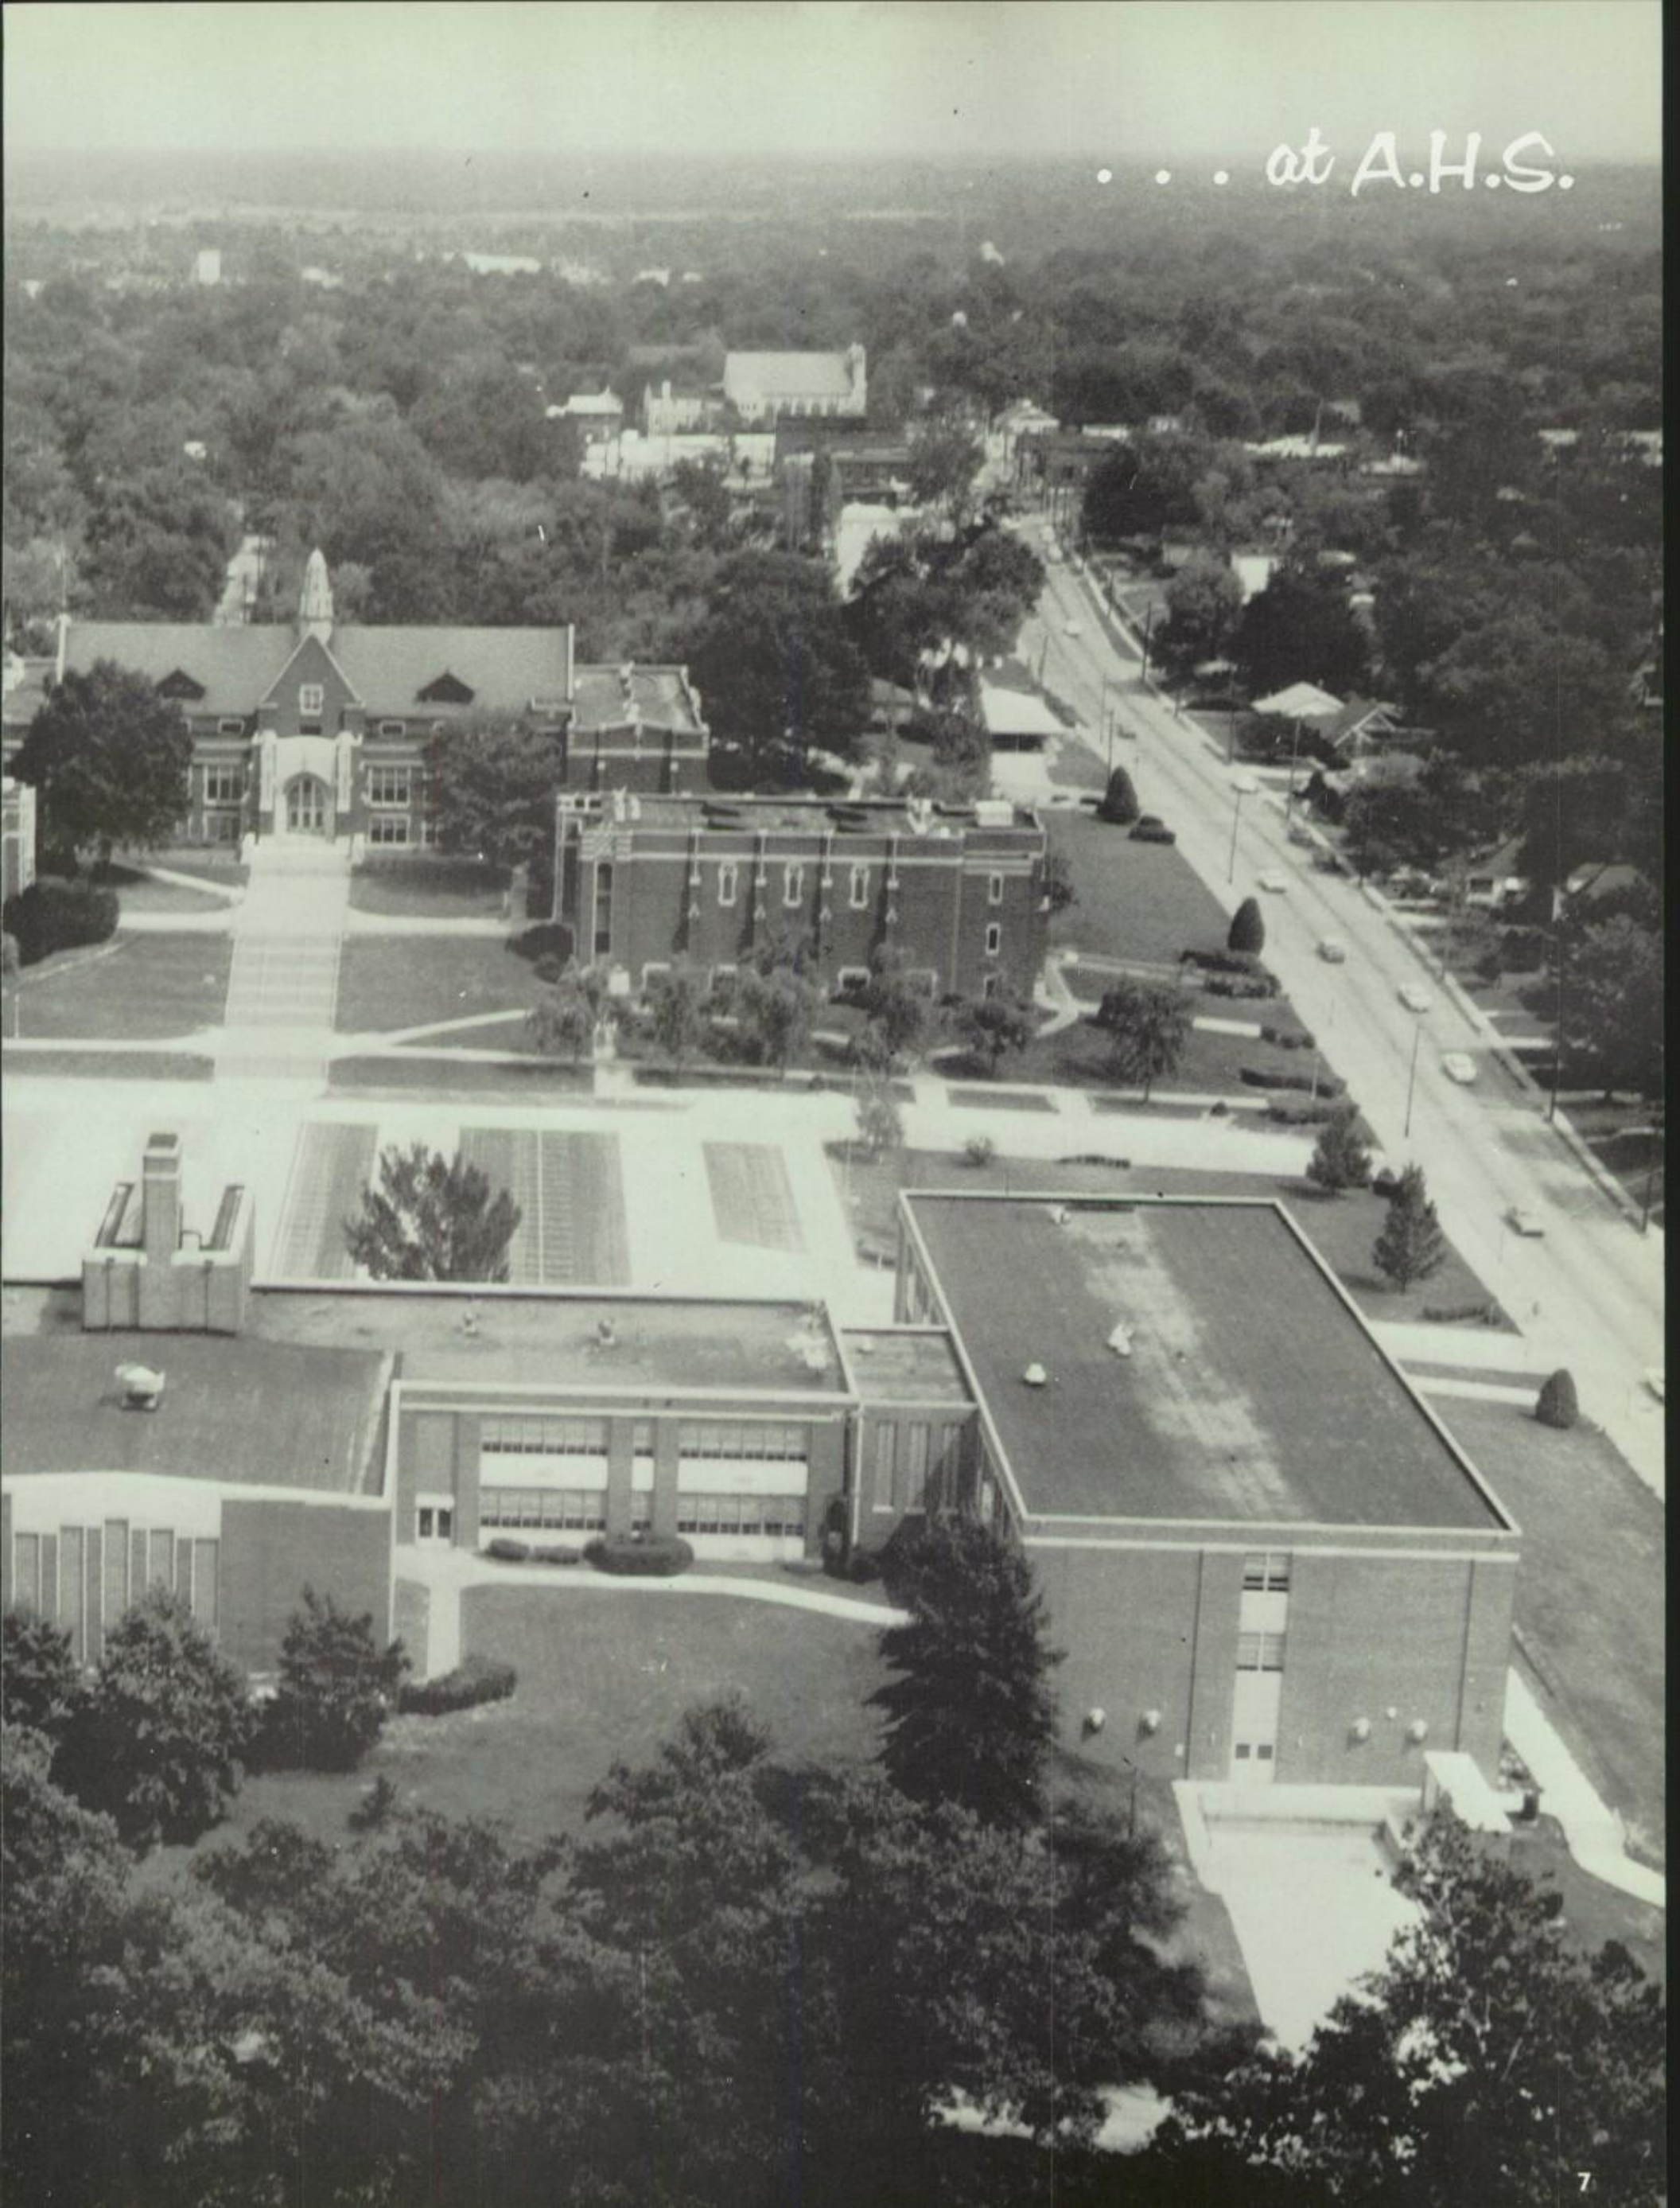
When you pick up this Tatler
ten years from now, you'll probably
laugh at what we were wearing
way back when . . .

. . . just as we laugh at the styles
of ten years ago.

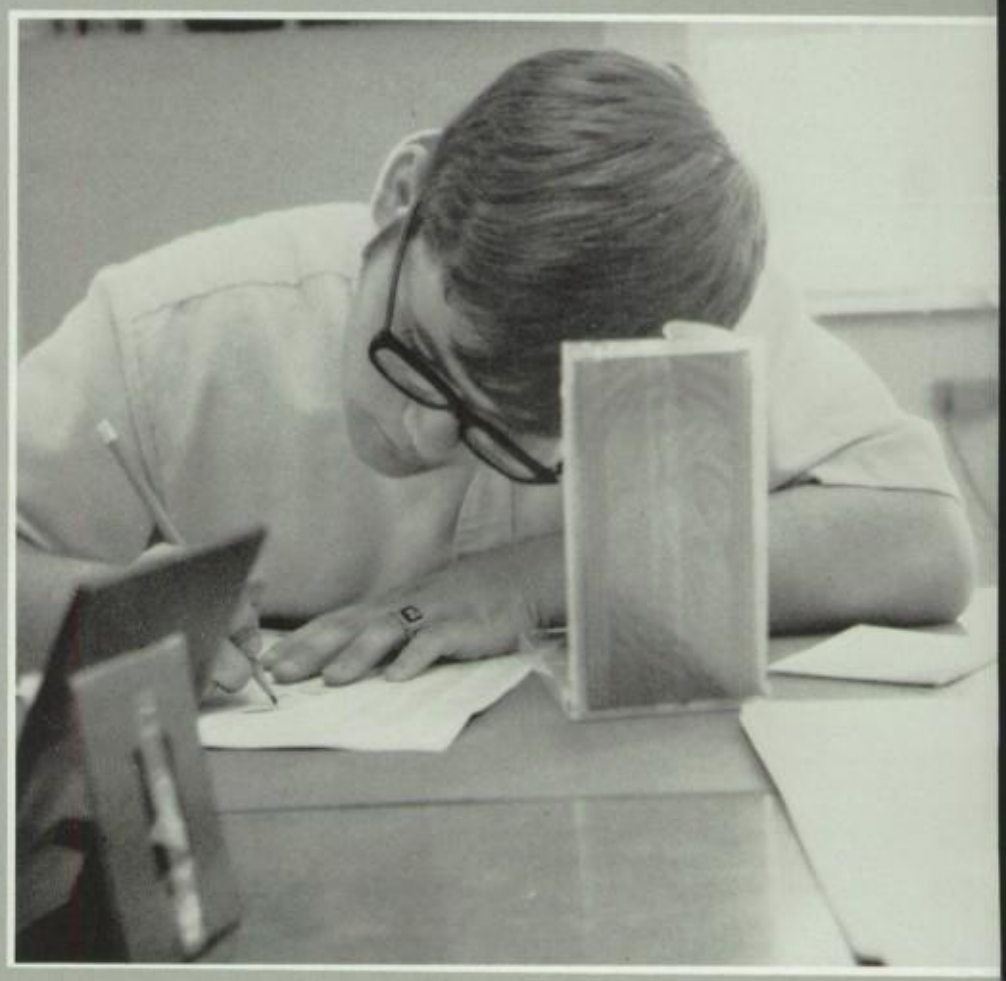
Face it! We are the future's bobbysoxers.

It's here . . .

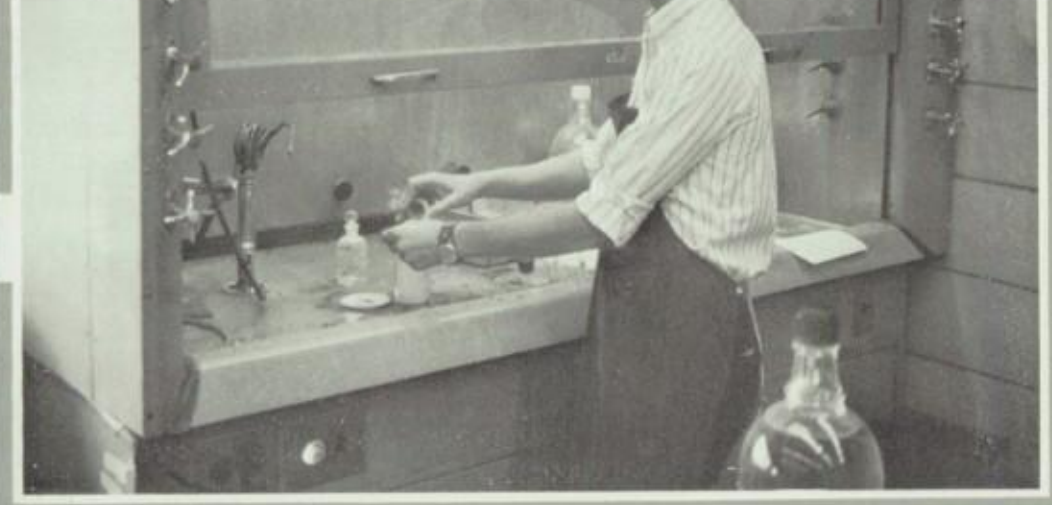
. . . at A.H.S.

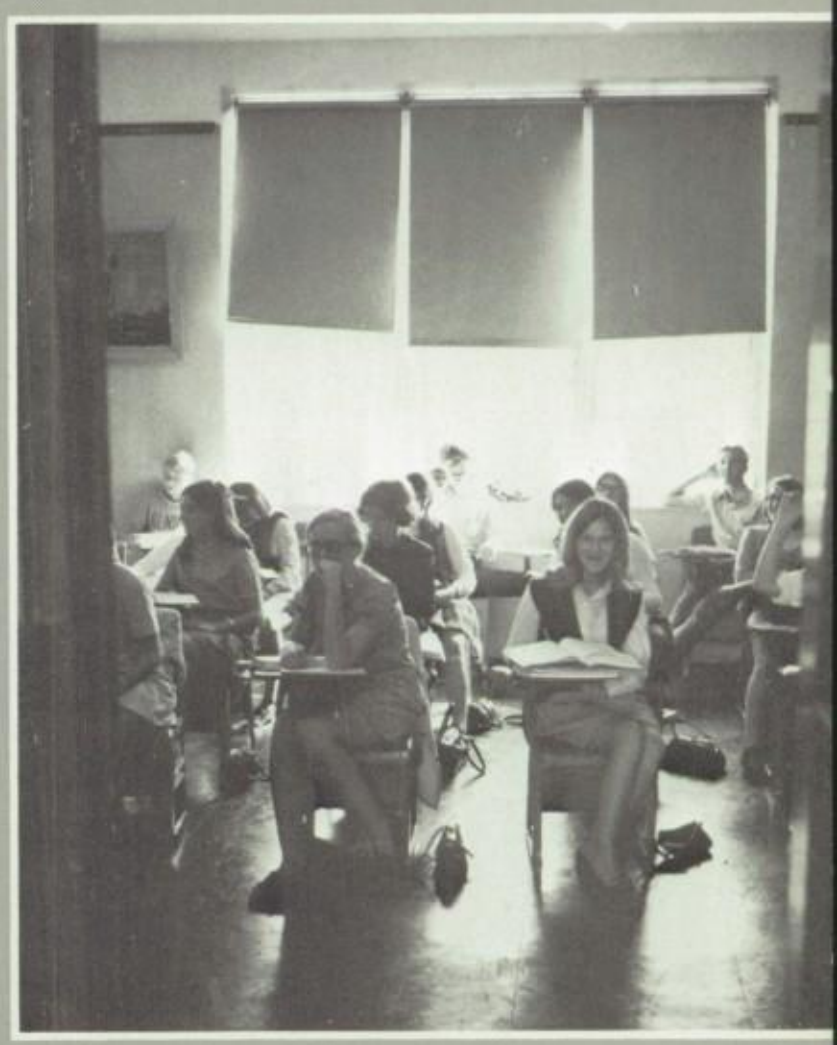


that we receive our most relevant training

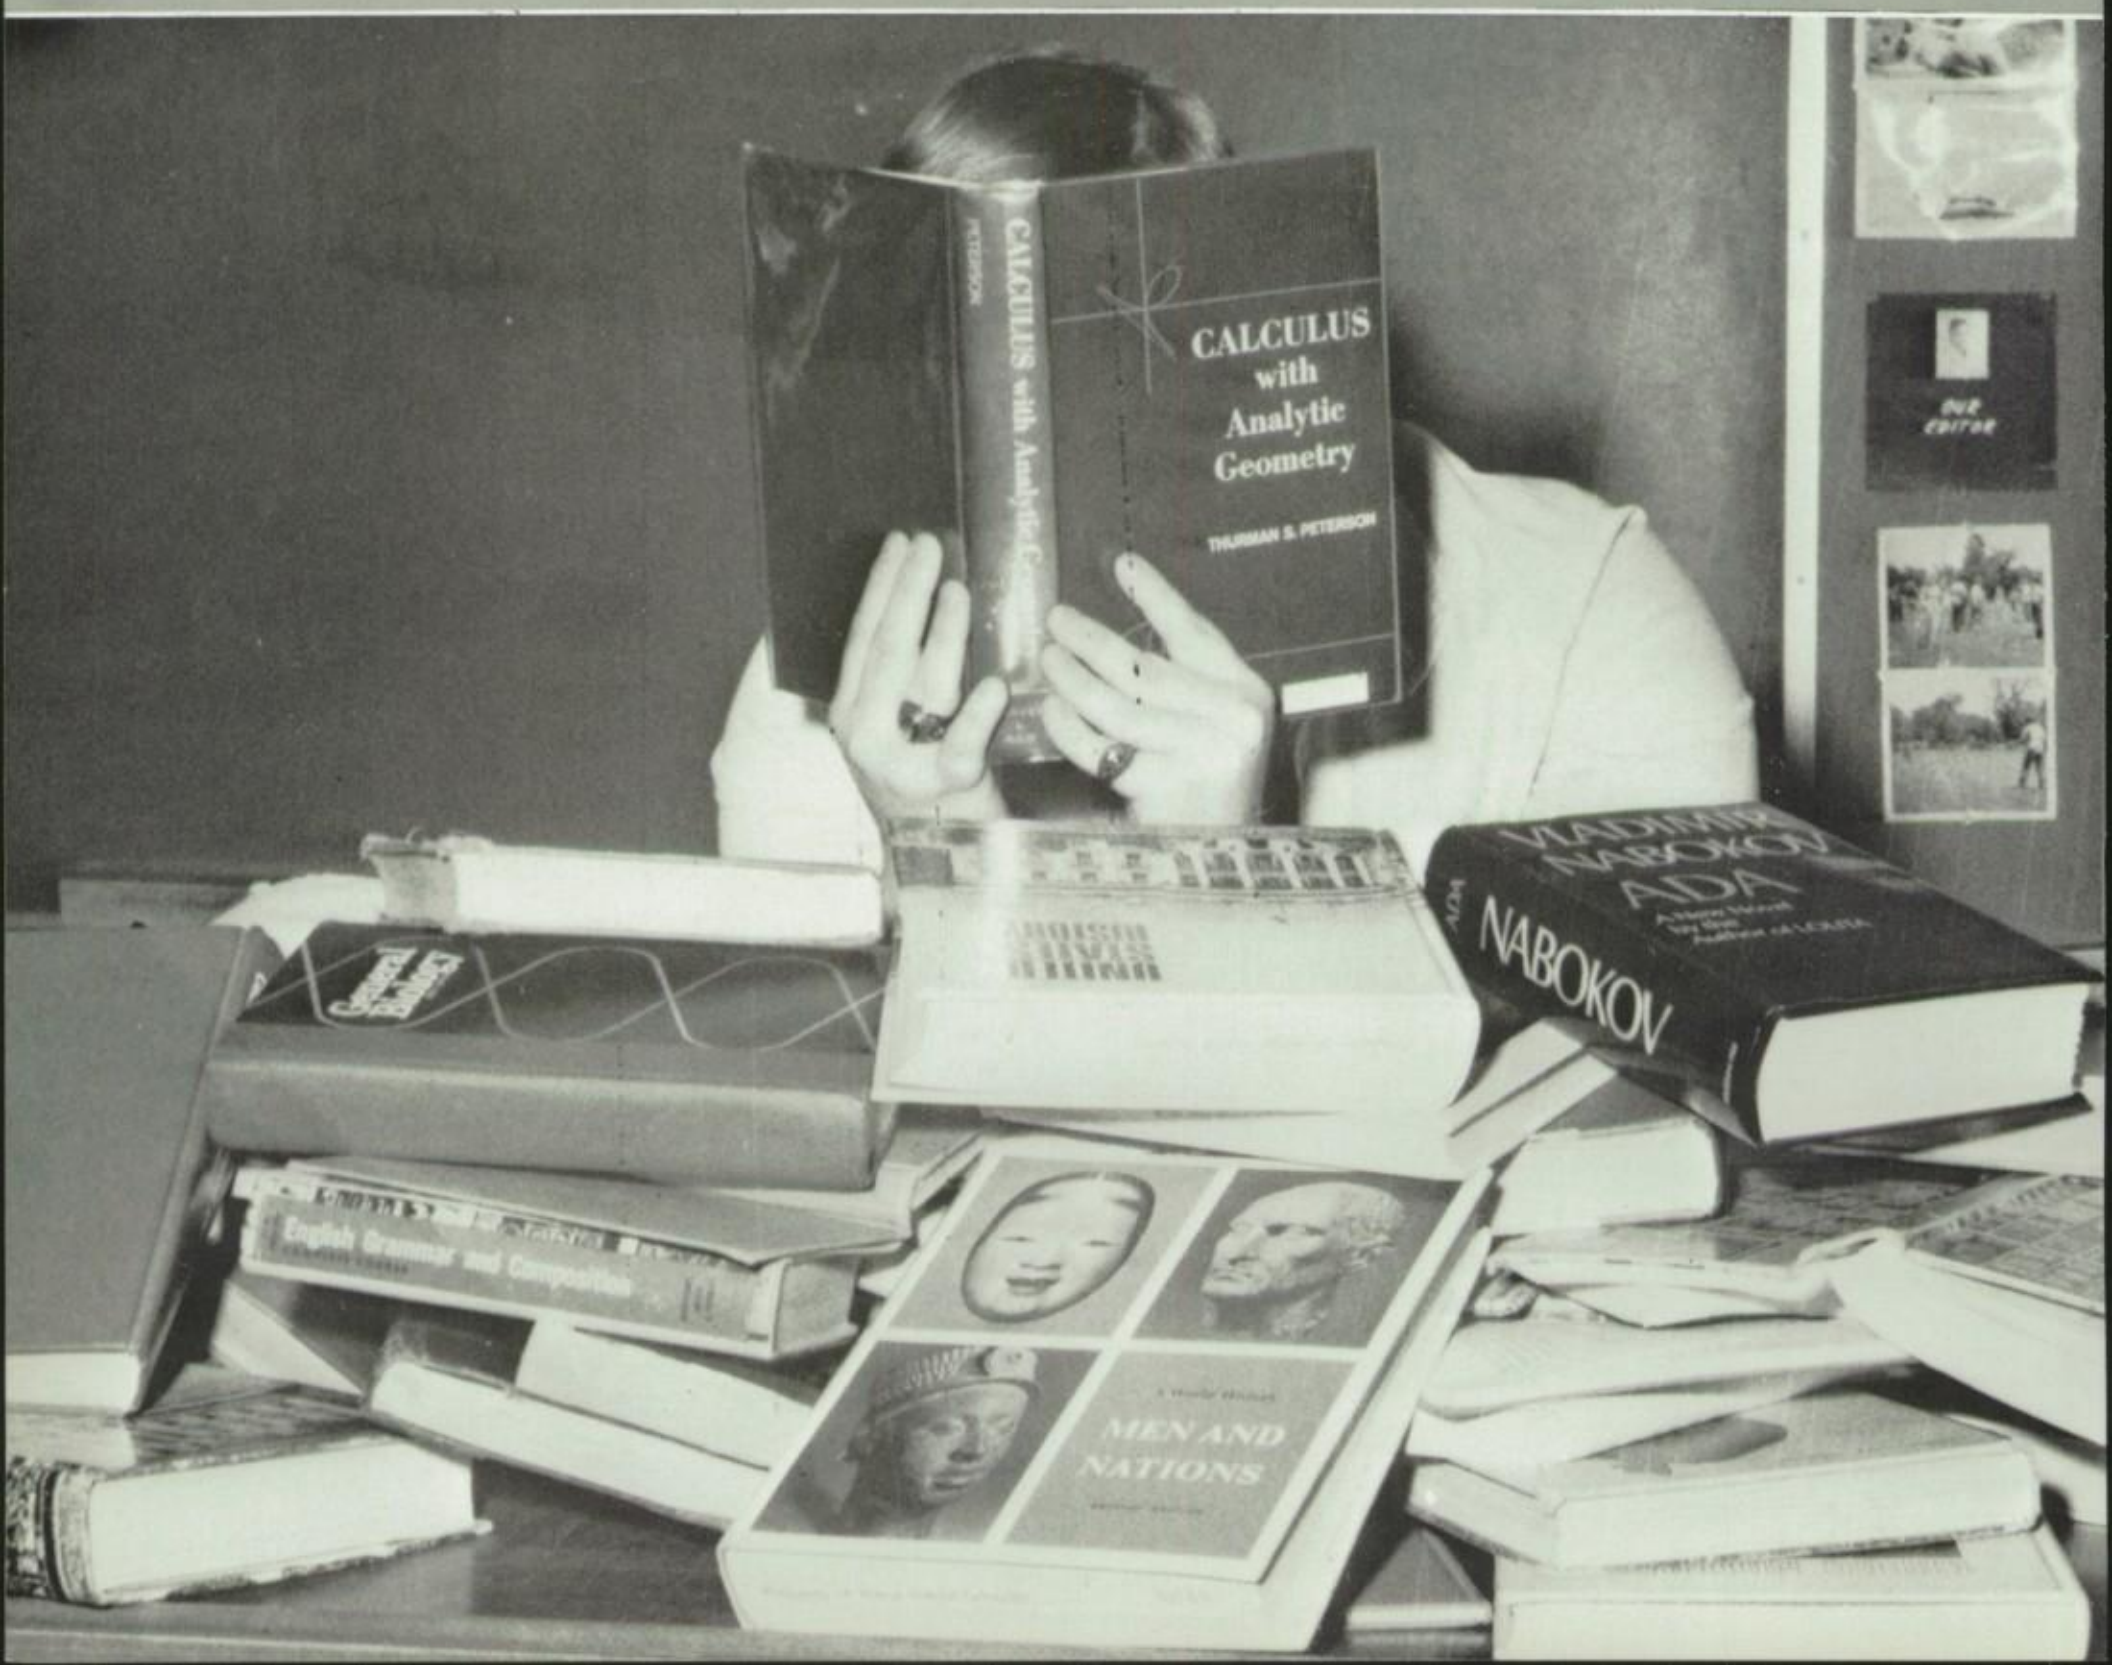


for the future . . .



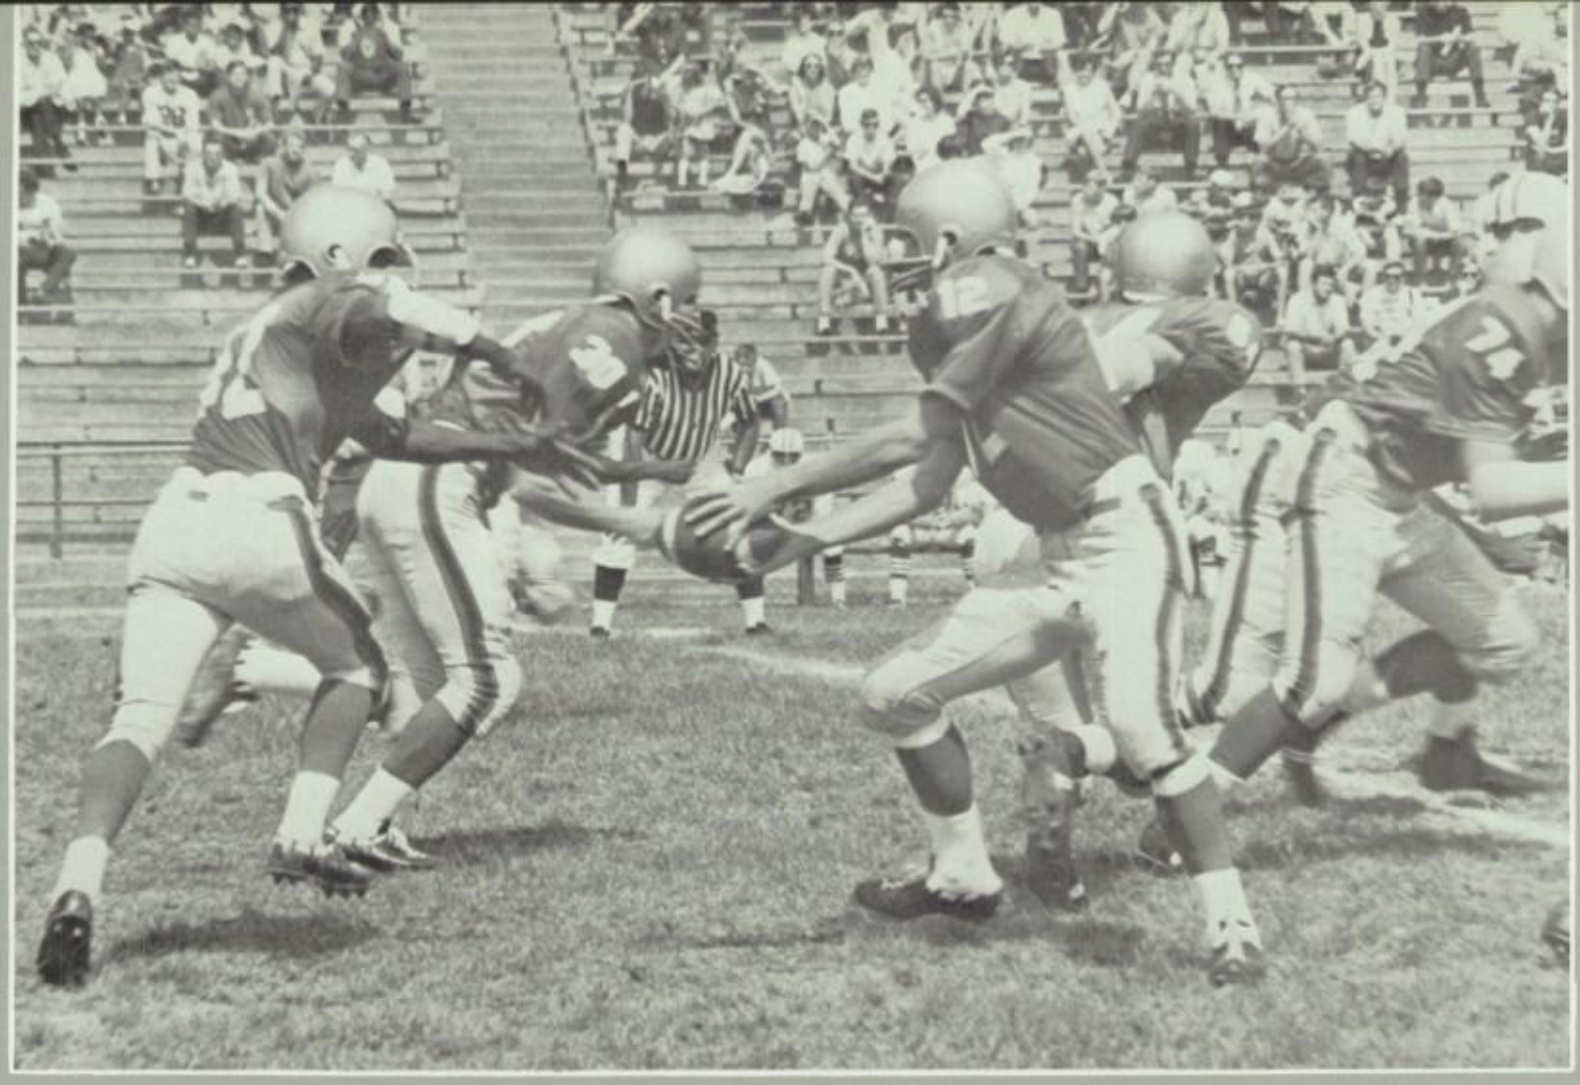


an education



to use to our
best advantage . . .

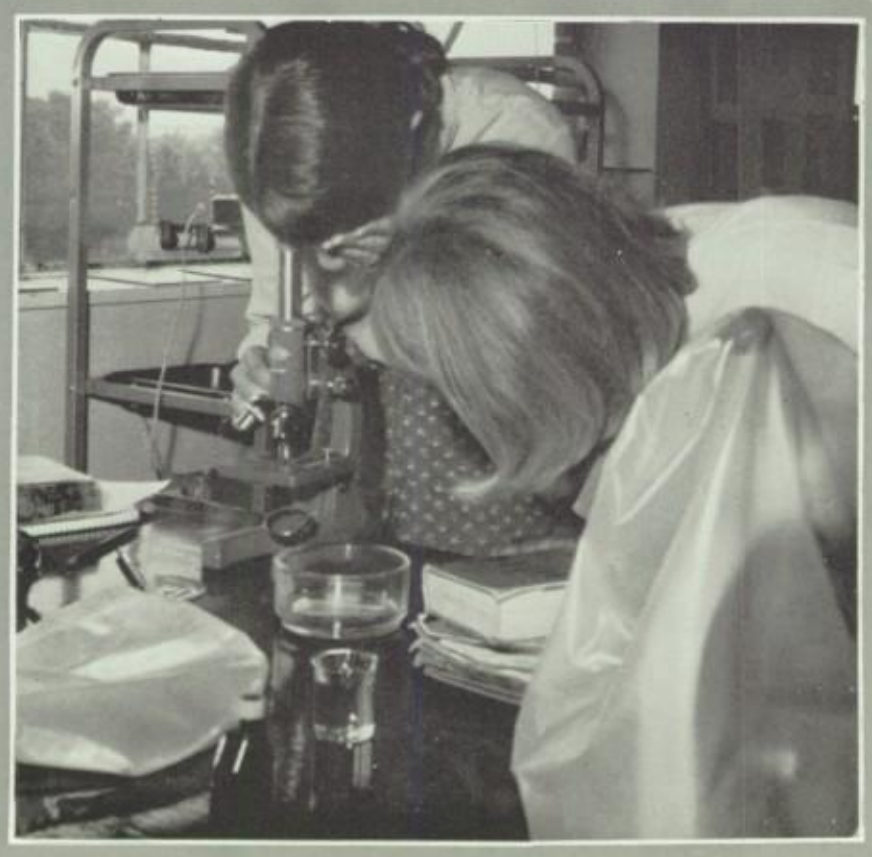
a memory



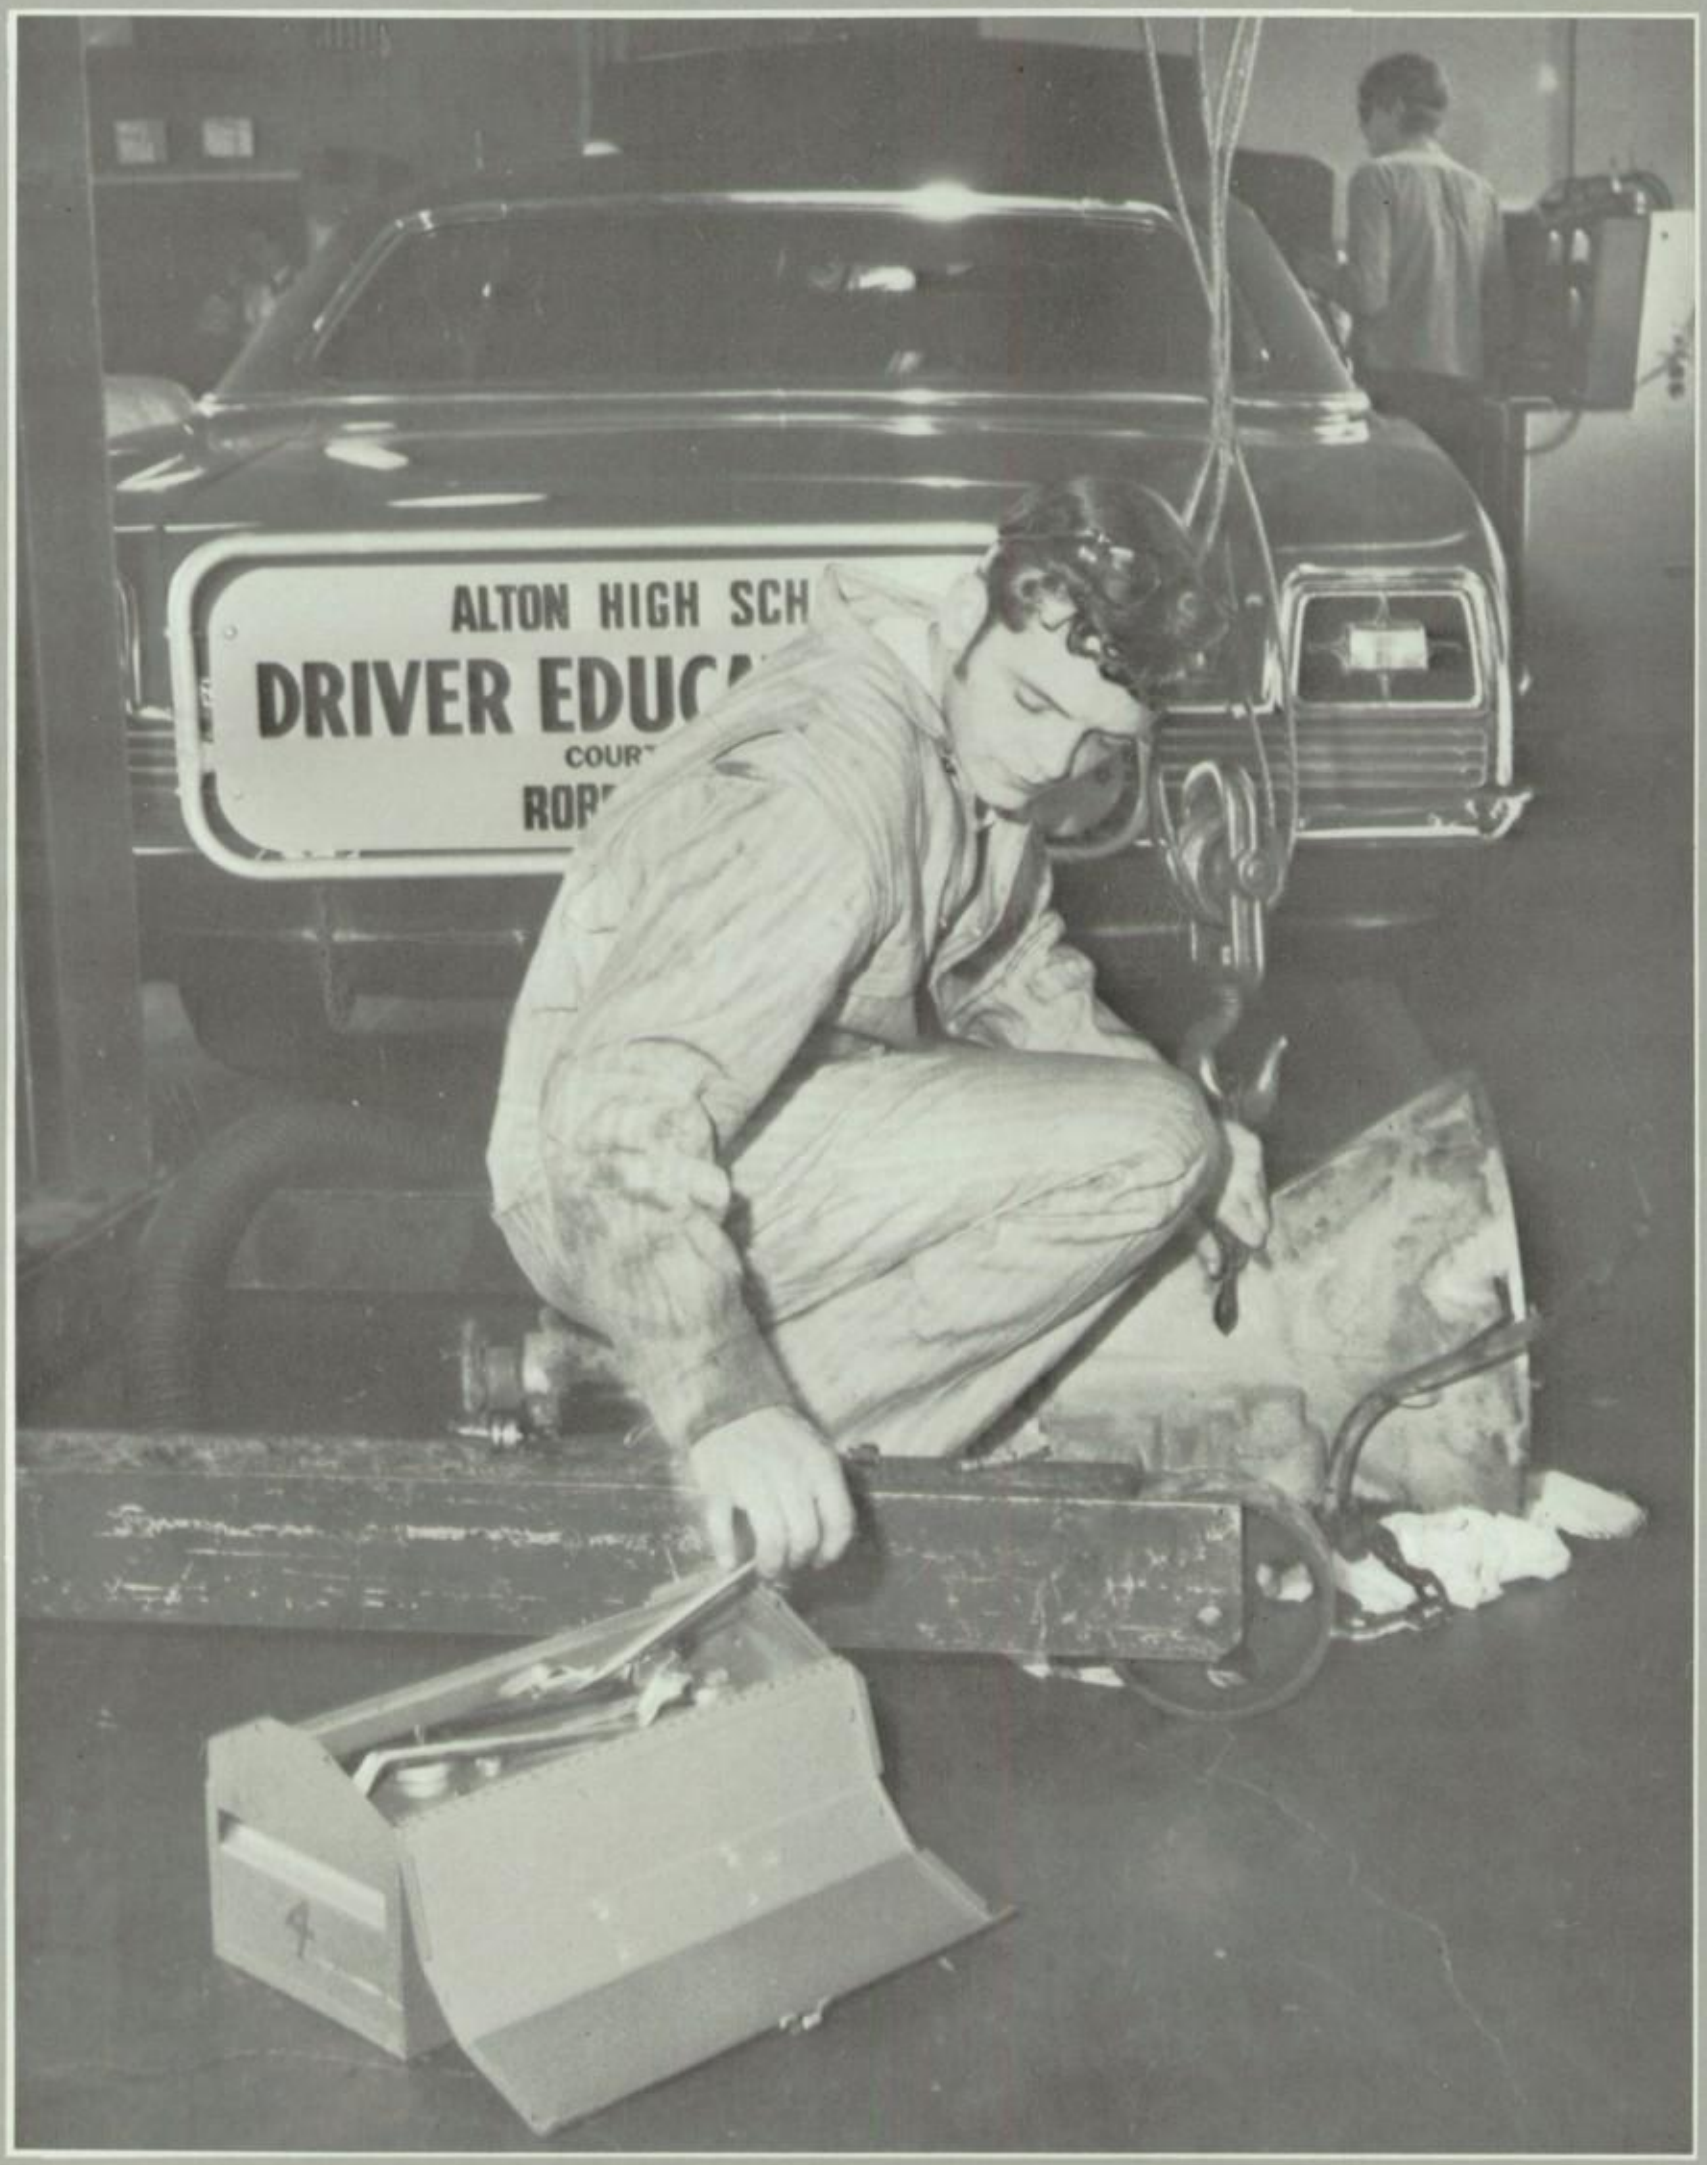
to do with what we will.

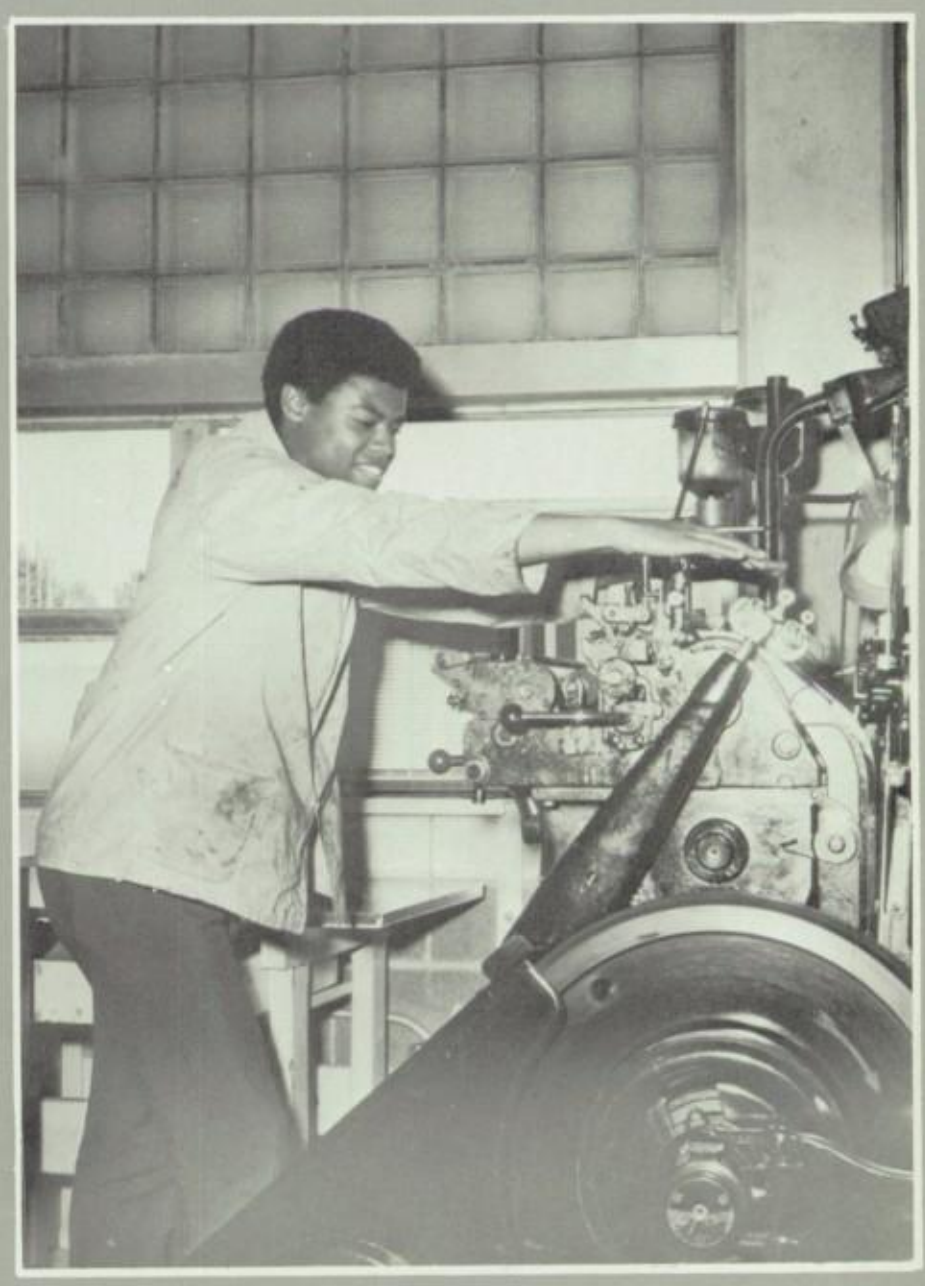
Some have prepared
for college.

SPANISH



Some have received valuable vocational training.





Some have finished their formal education.

We are now ready
to meet the world.

ADMINISTRATION

DR. J. B. JOHNSON
Superintendent of Schools

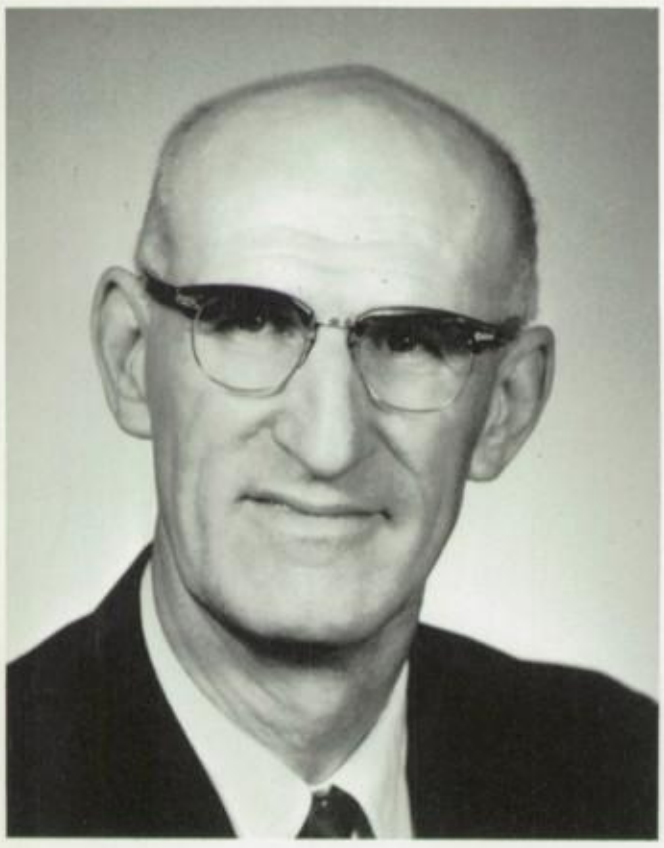
For more than two decades as Superintendent of Schools I have watched thousands of boys and girls progress through the public schools and leave high school as young men and young women. Most of these graduates have achieved success both in their school work and on the job.

Successful students may come from either advantaged homes or disadvantaged homes. Some are rich and some are poor. Some enjoy excellent physical health and some do not. How can we explain their success? This may be impossible to do; however, I have observed that there is a close correlation between success and the application of ability, interest, and effort. We recommend this formula to you as you pursue your careers.

Superintendent of Schools,

J. B. Johnson

J. B. Johnson, Ed.D.

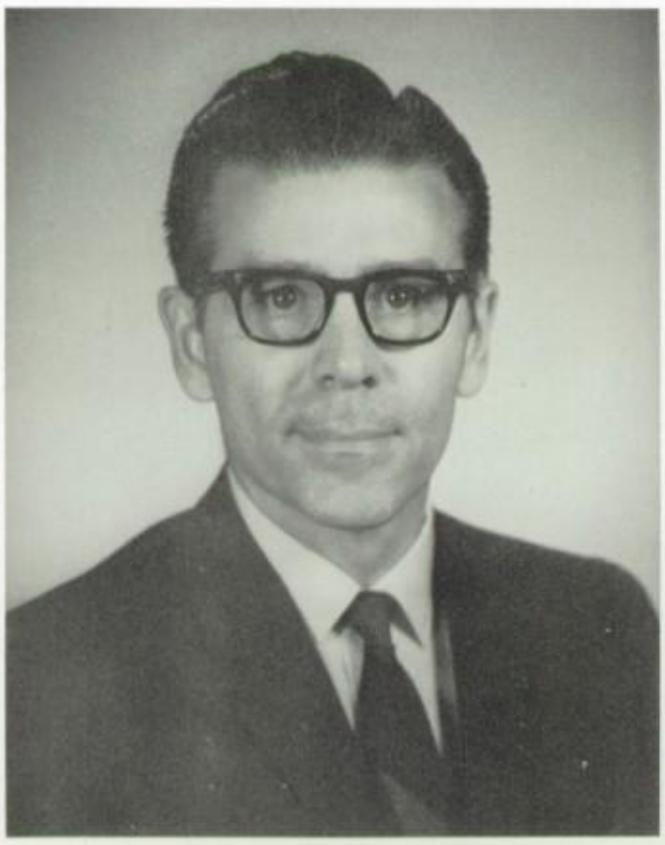


MR. E. M. LEAMON, Assistant Superintendent

Congratulations to those students who through their efforts contributed to the wholesome educational atmosphere of their high school. Best wishes to those who use their knowledge and abilities for the betterment of all mankind.

MR. MACY PRUITT, Administrative Assistant in charge of Junior and Senior High School Curriculum.

In every high school in the country there are students who have been rated "high" in ability and "low" in performance. This is unfortunate, because our society needs both craftsmen and professional workers. There is no greater tragedy today than unused talents.



MR. DEAN BROWNING, Administrative Assistant in charge of Vocational Education.

Nothing so valuable is cheaper than courtesy. Courtesy is more than cheap. It's free. It's strange that, being free, it's so rare. Let's not cancel courtesy because of the lack of interest or dissent.

BOARD OF EDUCATION

MR. ROBERT S. MINSKER
President

Many changes have taken place during the few years you have spent in hish school. The most historic and highly technological event of 2,000 years occurred when man landed on the moon and began its exploration. With great rapidity, also, sociological changes have taken place. In both our nation and in the outside world man continues to struggle for more freedom for the oppressed and for assistance to those who, by American standards, are considered under-privileged.

These events, as man strives to improve society and living conditions, present a purposeful challenge to all of us in the days ahead; but the challenge is even more directly to you young men and women who will graduate this year. You will have much influence both as individuals and as a group in determining the future of society and of the morals of our beloved country.

Each of you has had the opportunity, provided by the generations ahead of you, to acquire a superior education. The responsibility that now lies before you is to make the proper use of your education and knowledge for the benefit of all mankind.

As you assume positions of leadership, may each of you have the knowledge, wisdom, patience, and integrity to apply your learning to the creation of better communities where you reside, not only for your own children, but the generations to follow. This reponsibility will rest upon each of you now, and increasingly in the days to come.

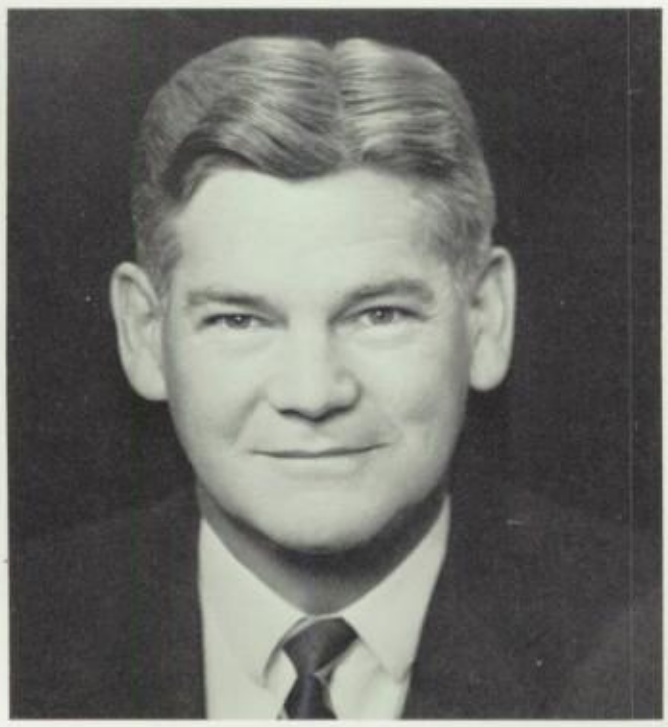
I congratulate each of you on your achievements thus far and humbly pray our Creator that your future years will be fruitful, and that your personal achievements will be rewarding both to you and your fellow citizens.

MR. HAROLD W. DAVIDSON
Secretary

DR. DAVID E. BEAR

MR. WALTER B. MILLER

MR. DWIGHT E. RUYLE



MR. J. EDWIN SUNDERLAND

MR. W. H. THOMAS

MR. HAROLD MATTHEWS
Principal

The purpose of our school is to provide an education which allows each student to make the best use of his ability and to function with comfort in society. The activities depicted in this book illustrate the degree of success of our school in accomplishing this goal. It is a pleasure to work with students who are actively participating in their own betterment.

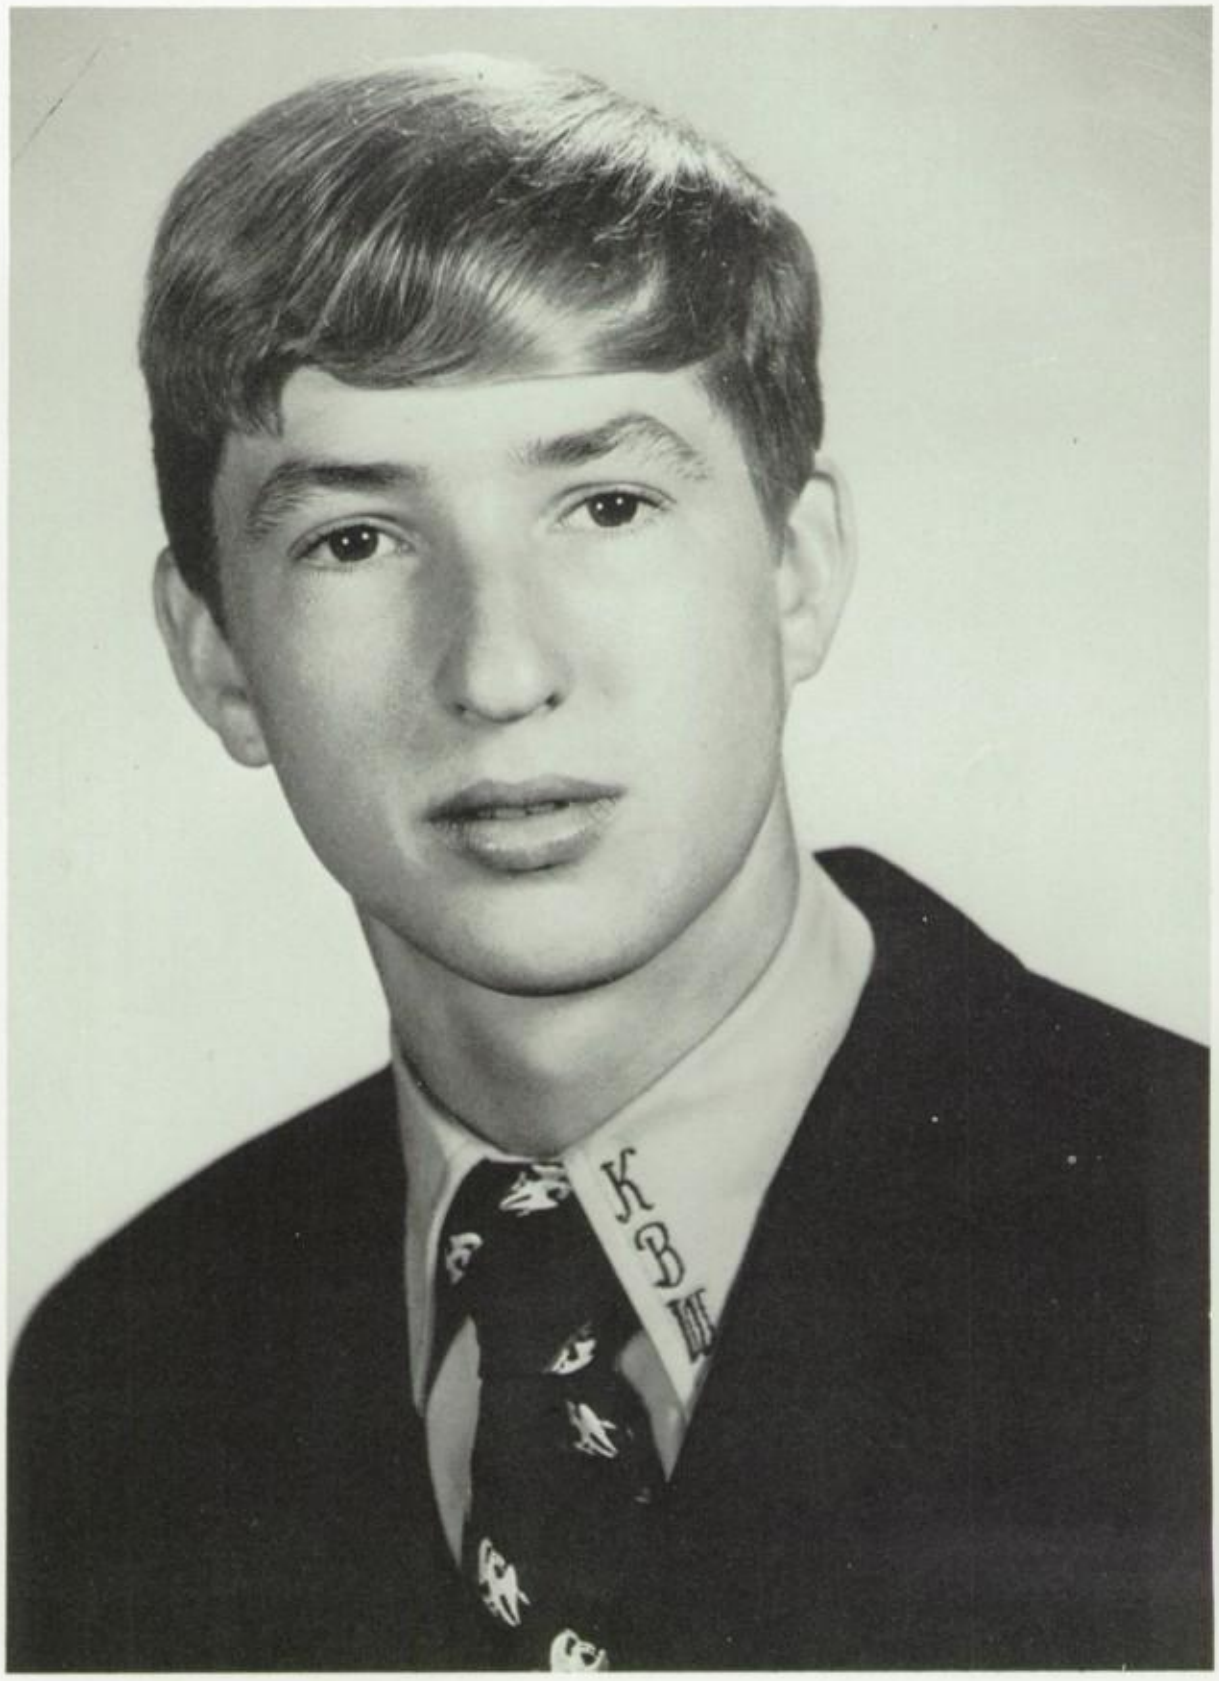
IN MEMORIAM

BRUCE EDWARD GRAY

August 24, 1951 – July 31, 1969

KEVIN WAIDE SENIOR CLASS PRESIDENT 1969-1970

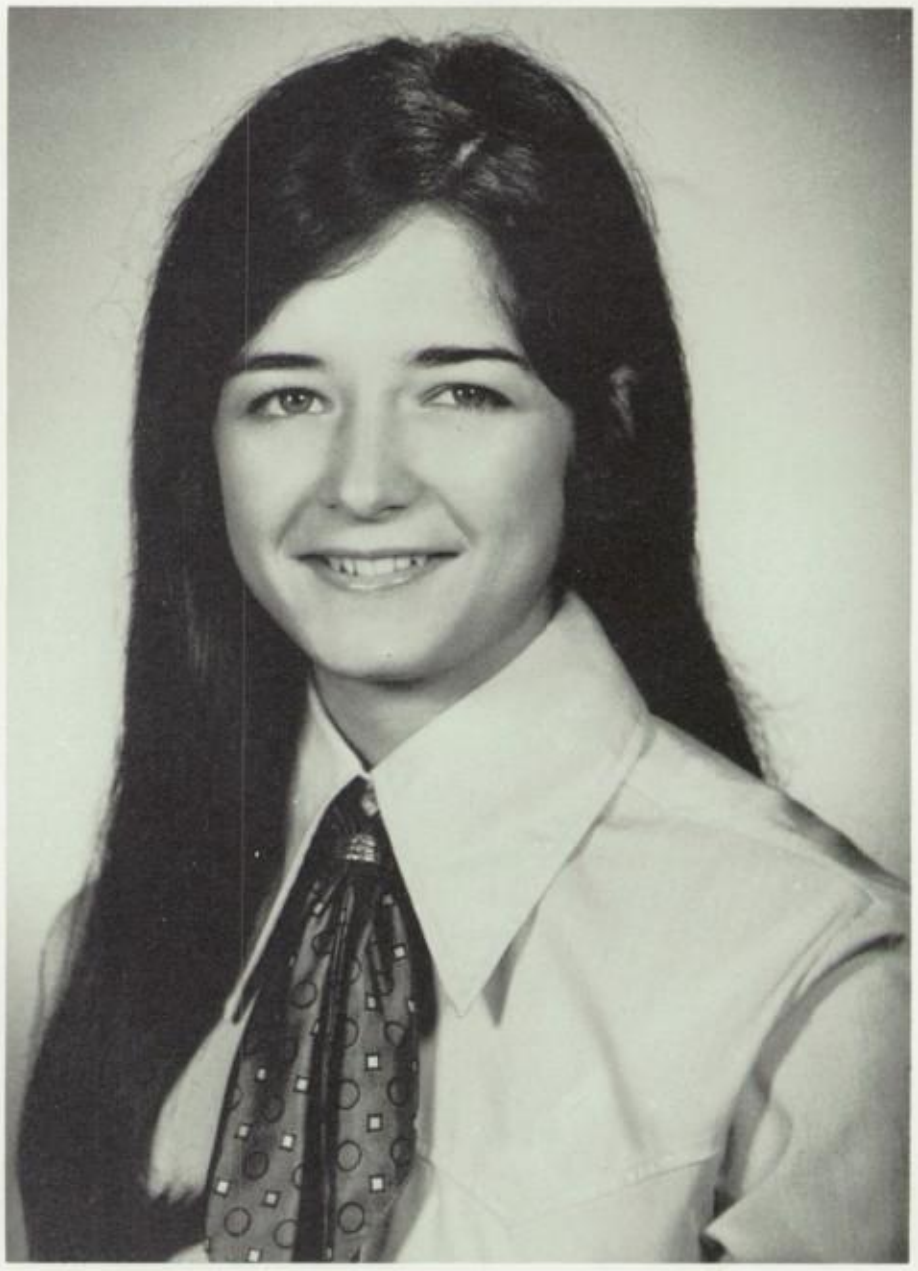


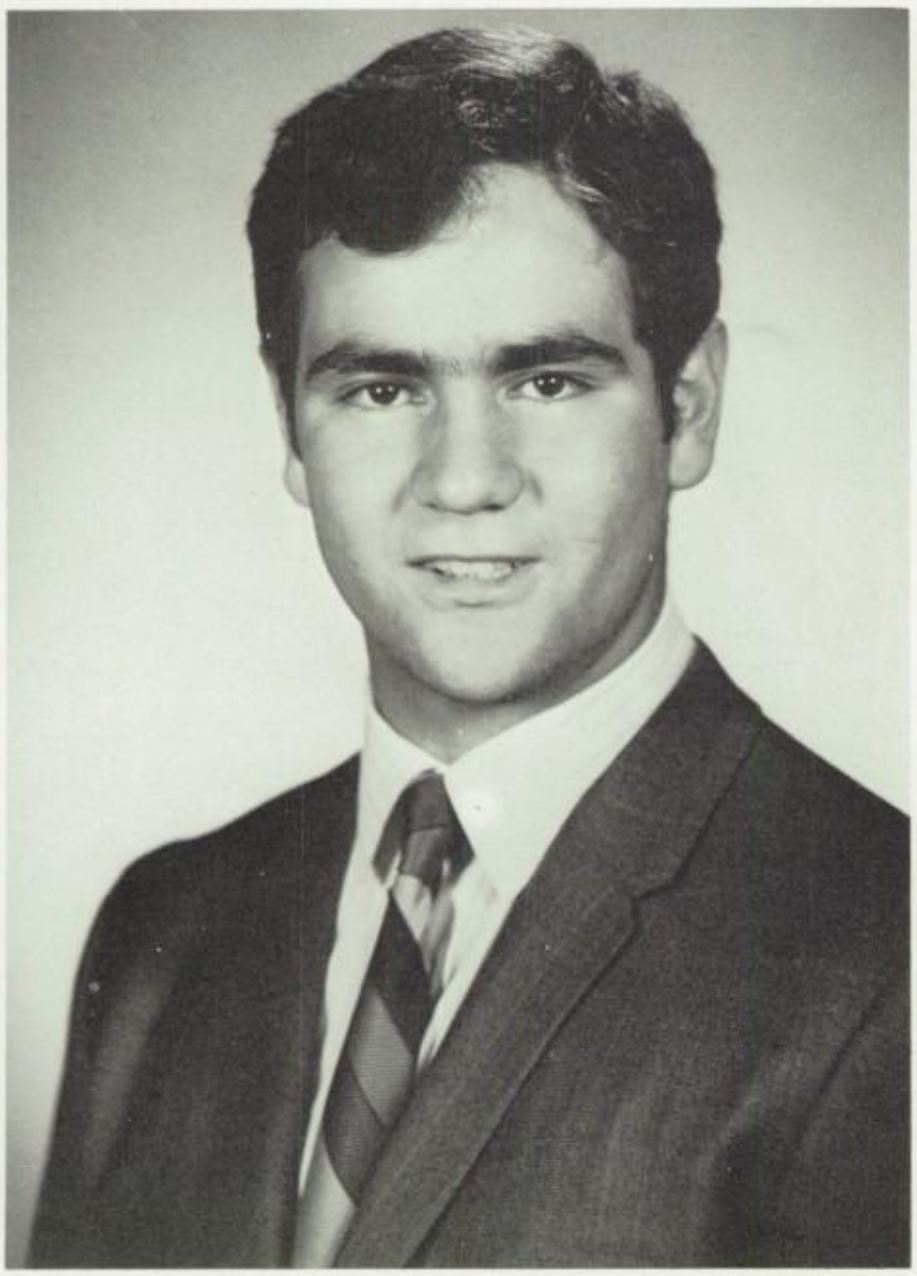
At last year's graduation, according to Alton High School tradition, Kevin Waide accepted the cane and chain, symbols of the Senior Class.

From the time of his election last spring, Kevin has worked to carry out the duties of his office. His first responsibility was the organization of the 1969 Junior Prom. Since then, Kevin has worked actively in the development of the class motto and the Senior Prom.

A prominent member of the basketball and track teams, and an active participant in Student Council, the French Club, Pep Club, and the International Relations Club, Kevin has devoted much of his time to Alton High activities.

1970 D.A.R. AWARD WINNERS — ELIZABETH McWHORTER AND TIMOTHY KEASLER





This year's winners of the annual D.A.R. Good Citizens Award are Elizabeth McWhorter and Timothy Keasler.

The award, sponsored by the Daughters of the American Revolution, is given to one girl and one boy of the Senior Class who have excelled in the qualities of dependability, service, leadership, and patriotism.

To quote the Society: The aim of this project is to pay tribute to youthful character and to call attention to those qualities which are desirable in good citizens.

Congratulations, Lou and Tim, on this fine honor!

GAI MULCAHY OUR A.F.S. STUDENT FROM AUSTRALIA

This year the American Field Service has sent us Gai Mulcahy from Lithgow, Australia. Gai is staying with the family of Mr. Fred T. Renshaw. She is most impressed with the friendliness of Americans. She also thinks Halloween and Thanksgiving, which are not celebrated in Australia, are great ideas.

She is studying biology, English literature, calculus, psychology, sociology, and U.S. history.

"I'm really confused," she says, "by the seasons, Christmas should be in the middle of the summer!"

Gai and the Renshaws enjoy a card game.

It's just impossible to teach Australians how to knit.

Gai sneaks in at 3 a.m.!

I guess Alton's not on the map yet.

OUR EXCHANGE STUDENT FROM AUSTRIA — HEMMA STEINER

This year we are privileged to have Hemma Steiner from Austria in our midst. She is studying trigonometry, college preparatory English, United States history, and physics here at Alton High. She also plays the flute in the orchestra.

Although soccer is the most popular sport in Austria, Hemma thoroughly enjoyed our football games. She admits that she didn't quite understand all of it!

The students of Alton High hope Hemma enjoys her year in Alton. She is staying with the family of Dr. Paul J. O'Neill.

The O'Neill's are glad to have a girl around the house again!

Hemma wears her dirndl, a traditional costume in Austria.

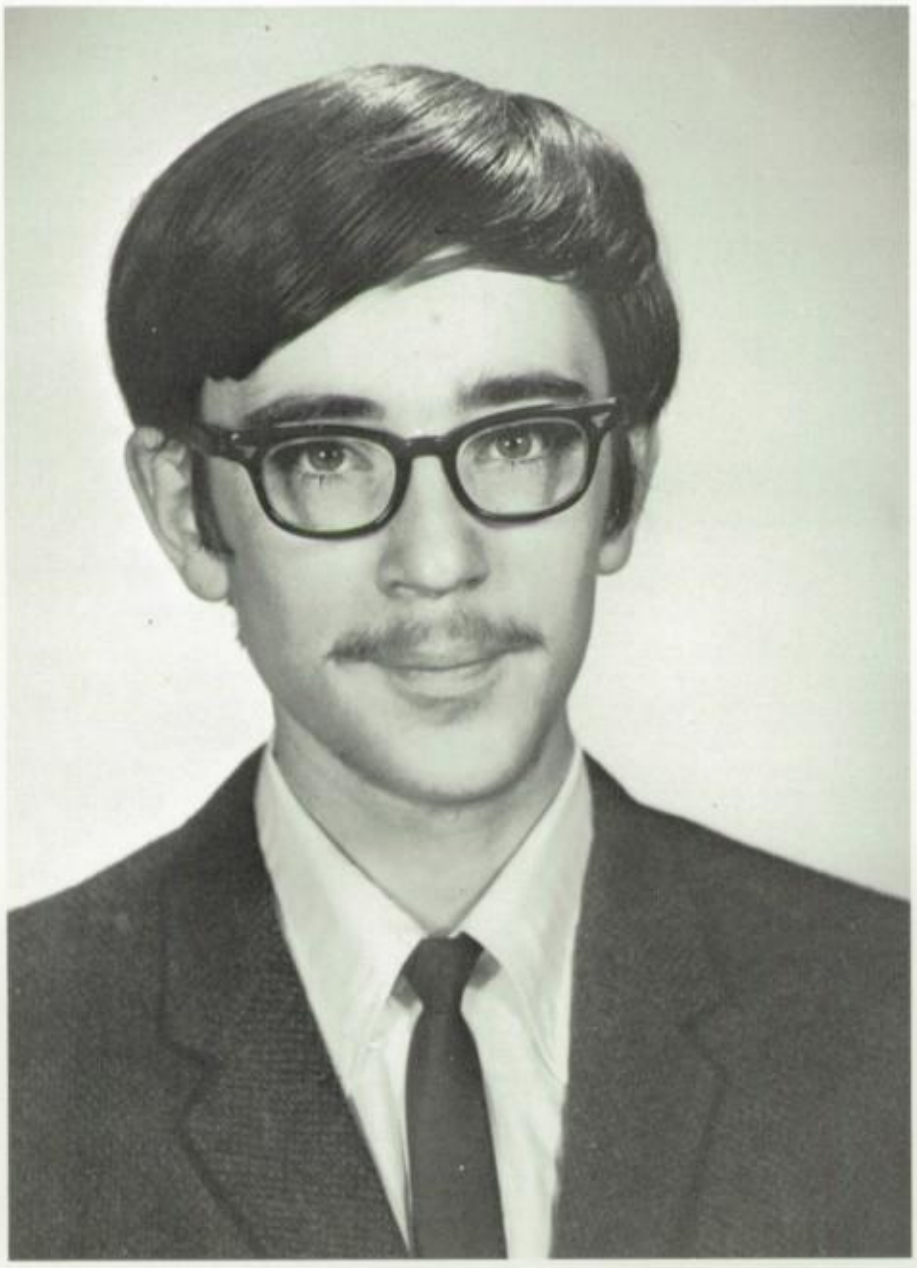
Schnee!

Hemma plays the piano beautifully.

ELIZABETH THOMAS OUR A.F.S. STUDENT TO INDIA

Elizabeth Thomas, a member of the American Field Service, was privileged to participate in its Americans Abroad Program last summer. Elizabeth resided with the family of Doctor Neil Pant in Bombay, India. During her stay, she studied the sitar at the Bharatiya Vidya Bhavan.

Living in India has given Elizabeth a deeper understanding of people all over the world.



NATIONAL MERIT SCHOLARSHIP SEMI-FINALISTS JACK BULLOCK BARBARA McANENY

Jack Bullock was a semi-finalist in the National Merit Scholarship Competition. Finalists and semi-finalists are chosen on the basis of the scores on the National Merit Scholarship Qualifying Test taken in their junior year.

Barbara McAneny was also a semi-finalist in the National Merit Scholarship Competition. She accelerated her high school program and graduated in summer school, 1969. As a first-year college student she is still eligible for competition.

Congratulations Jack and Barbara!

PATRICIA LAUX

RECEIVES BAUSCH AND LOMB AWARD

The Bausch and Lomb award is presented at graduation to the student who, in the estimation of the faculty of Alton High, has achieved the best record in the study of science. This year it has been presented to Patricia Laux.

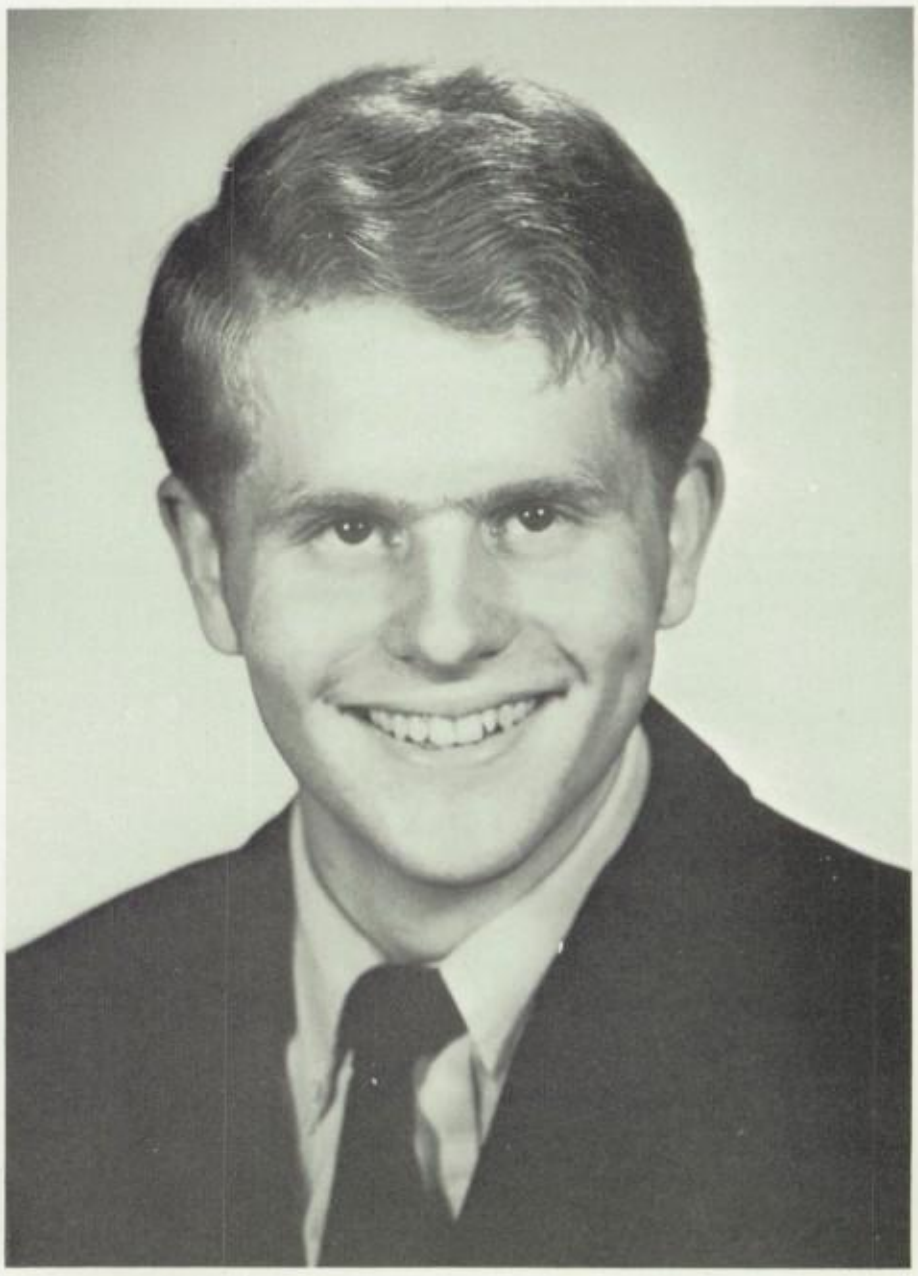
She is now eligible to compete for one of several scholarships at the University of Rochester. We wish Patricia good luck in the future.

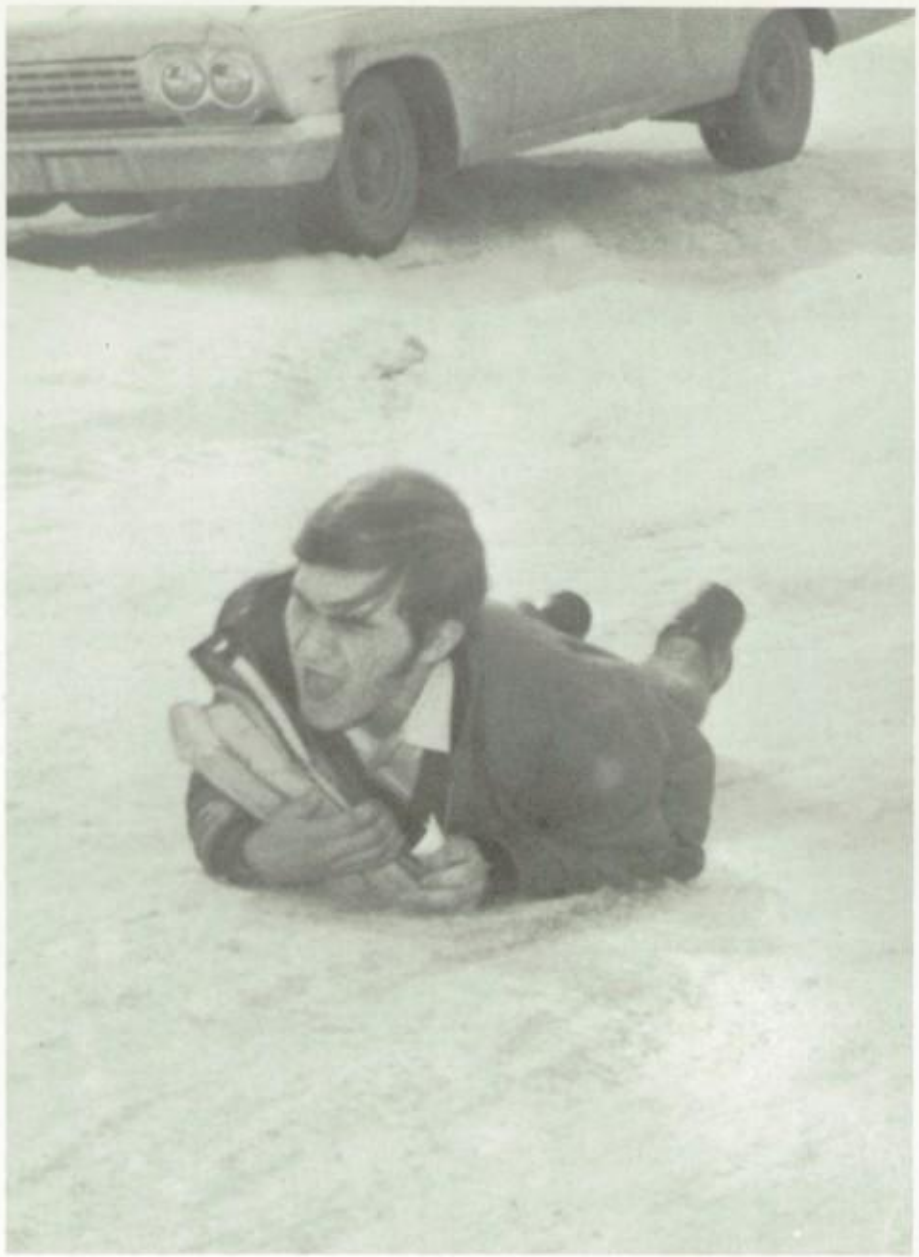
ERIK FJERSTAD

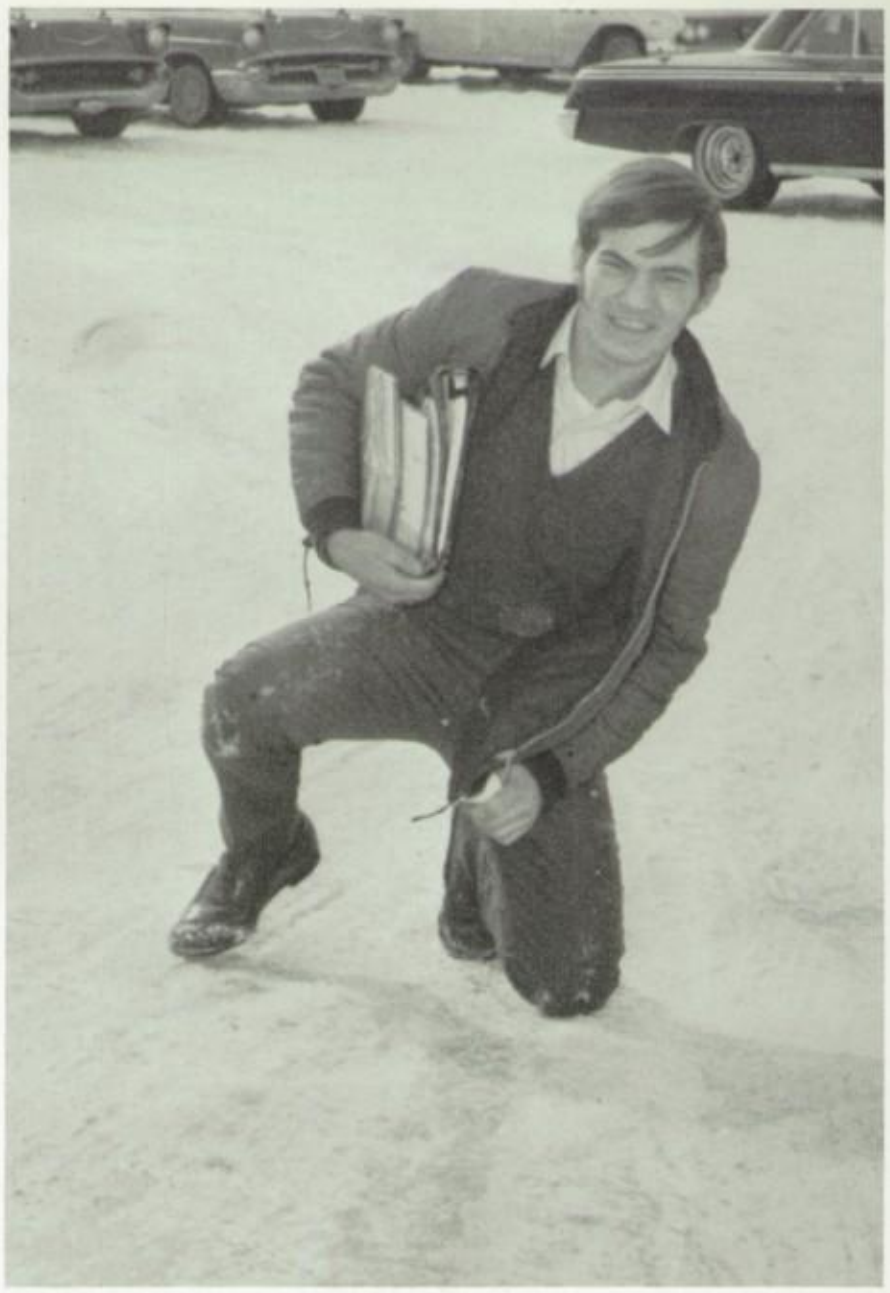
RECEIVES RENSSELAER AWARD AND ATTENDS UNION ELECTRIC YOUTH CONFERENCE ON THE ATOM, CHICAGO, 1969

The students of Alton High would like to congratulate Erik Fjerstad, who received the Rensselaer Award for his high average and interest in science and mathematics. He is now eligible for the Rensselaer Mathematics and Science Award Scholarships.

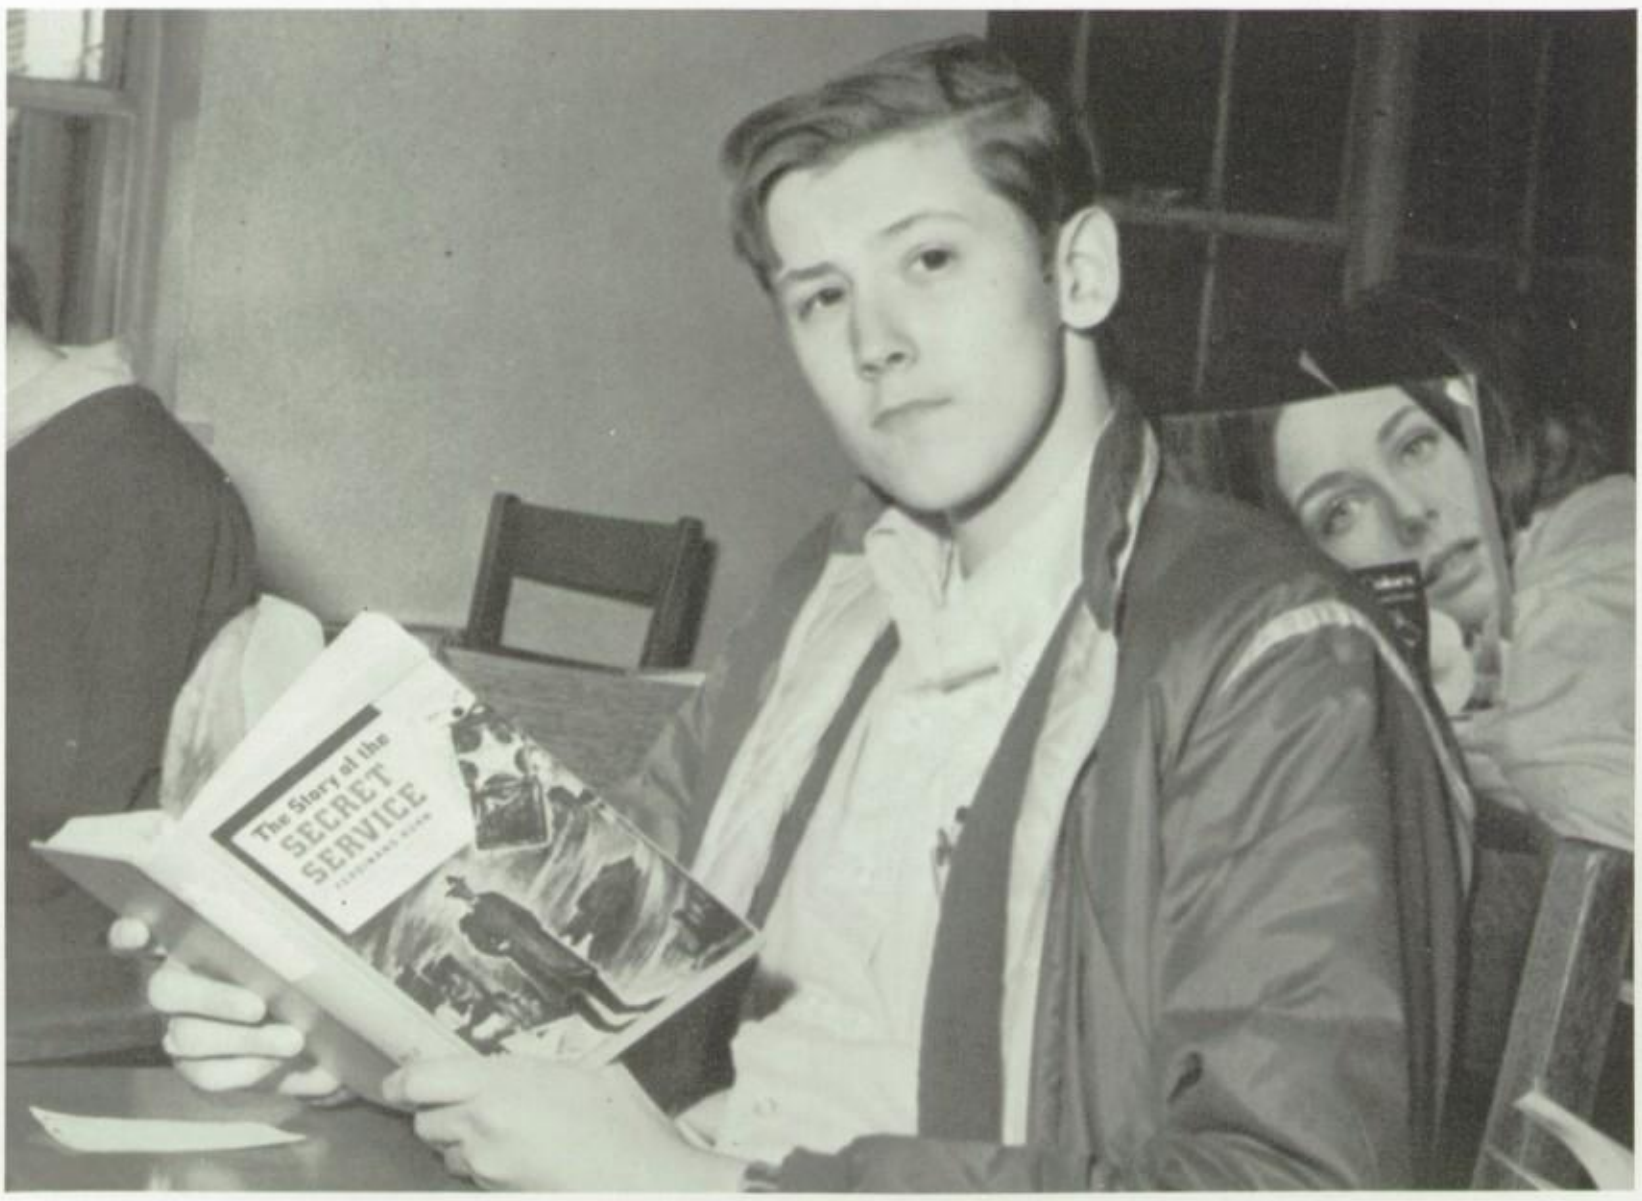
Earlier this year Erik was chosen to take a test on the atom, sponsored by the Union Electric Company. He was later informed of his high scores which qualified him to attend the Union Electric Youth Conference on the Atom in Chicago last October.



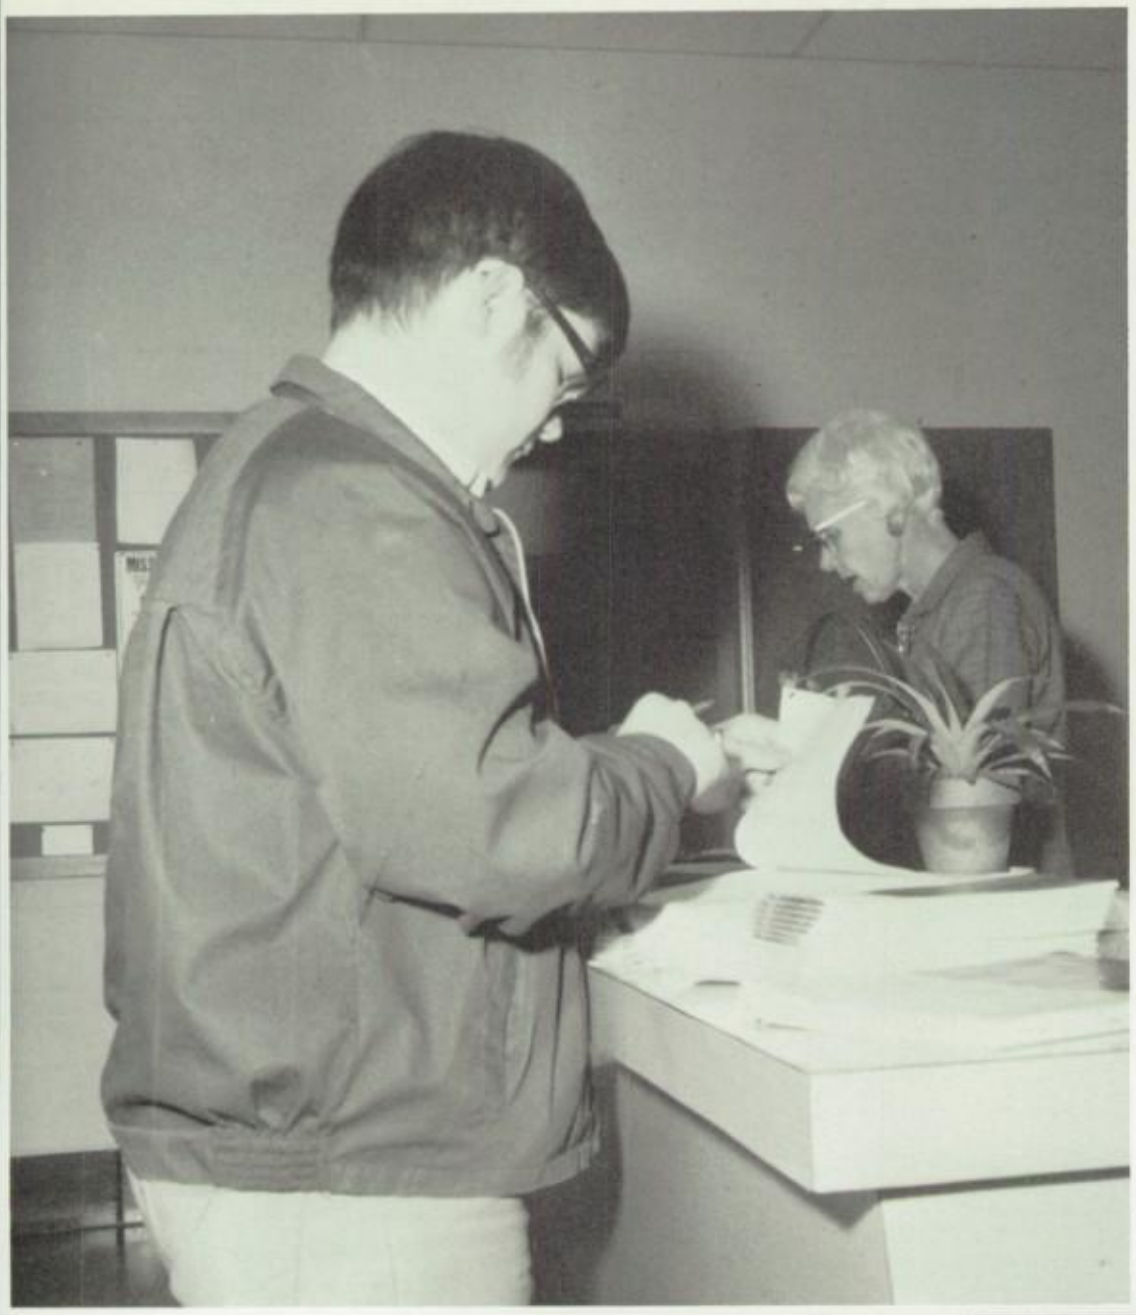




?@#$%¢&*-+=!

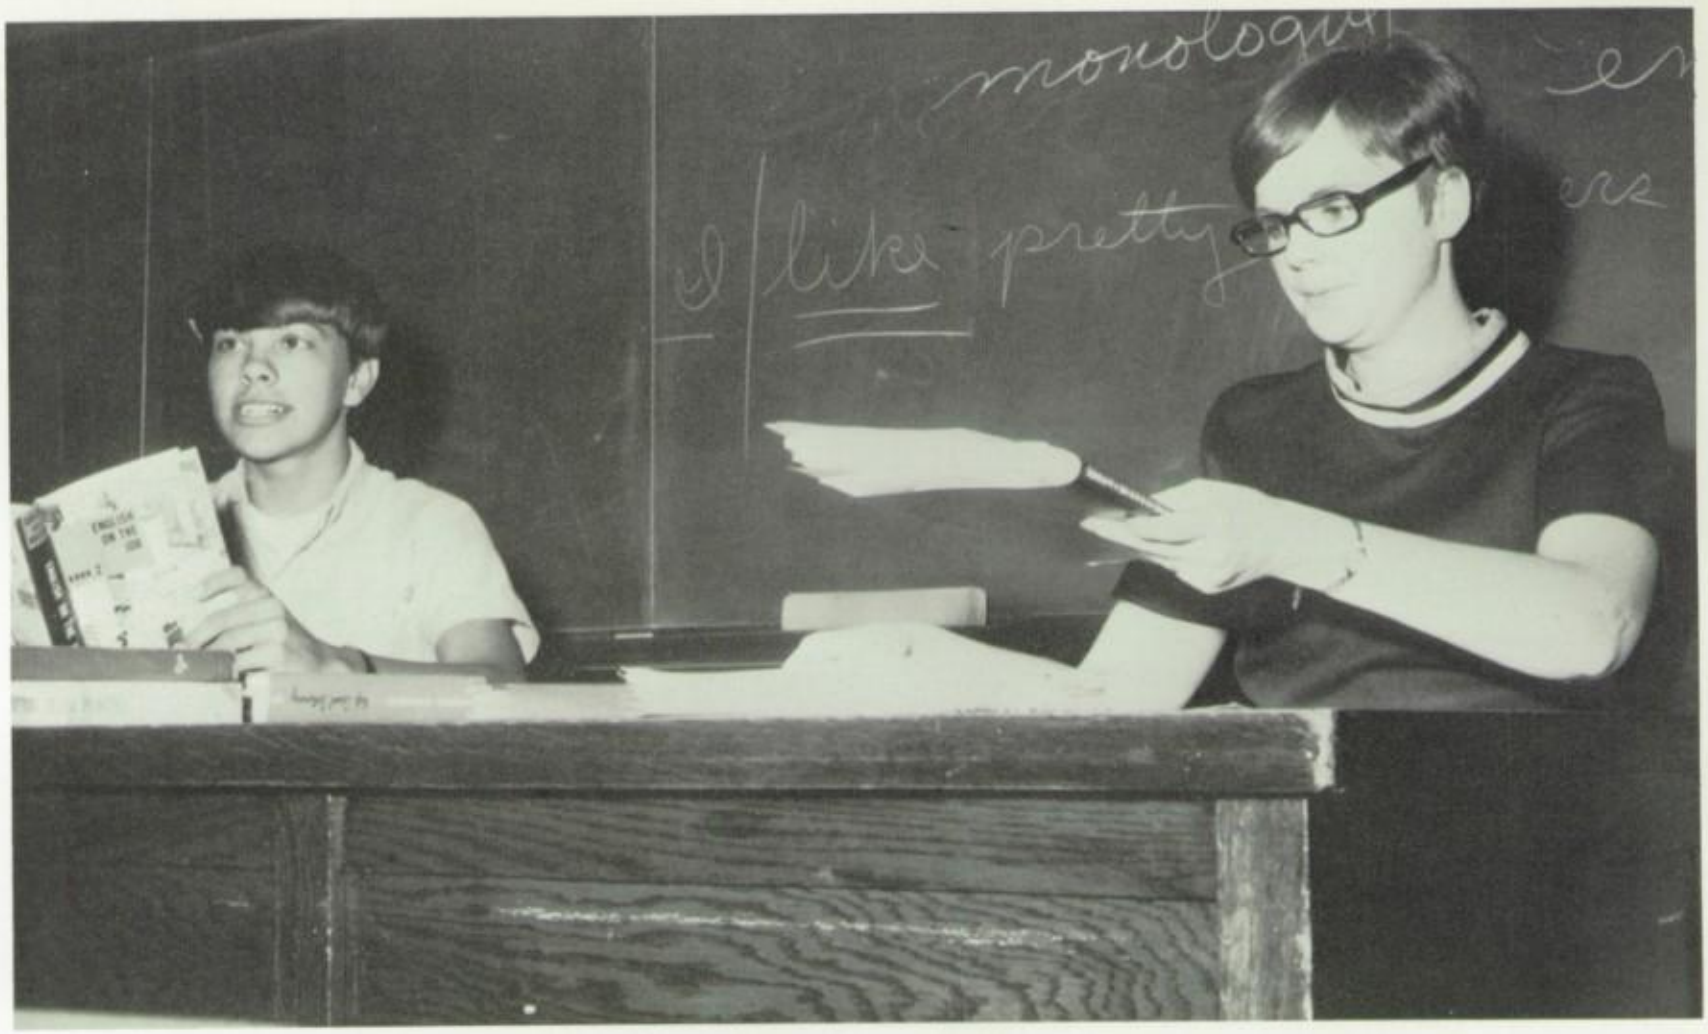


Someday I think I'll be a Secret Service man.



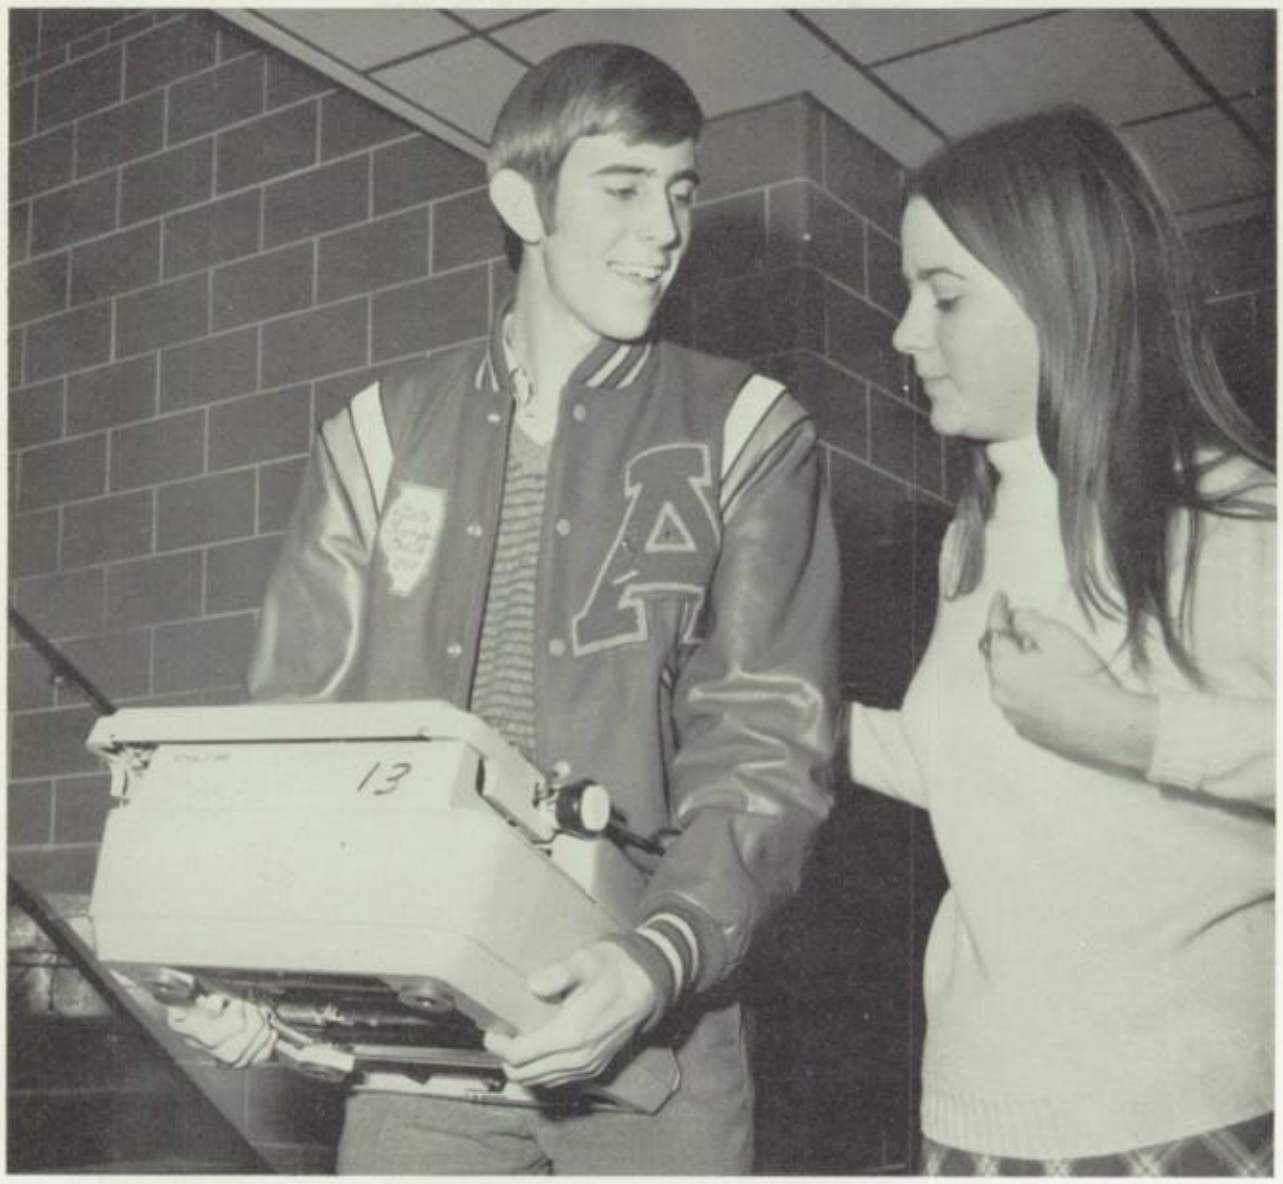
You'd think I'd be able to remember where my classes are by third quarter.

I'm changing my name to Van Gogh.



I'll swat this fly if it's the last thing I do!

Not by the hair on your chinny-chin-chin!



Gosh Roger, you're so strong!

I'll never get this term paper done by 2nd hour if you don't stop bothering me!

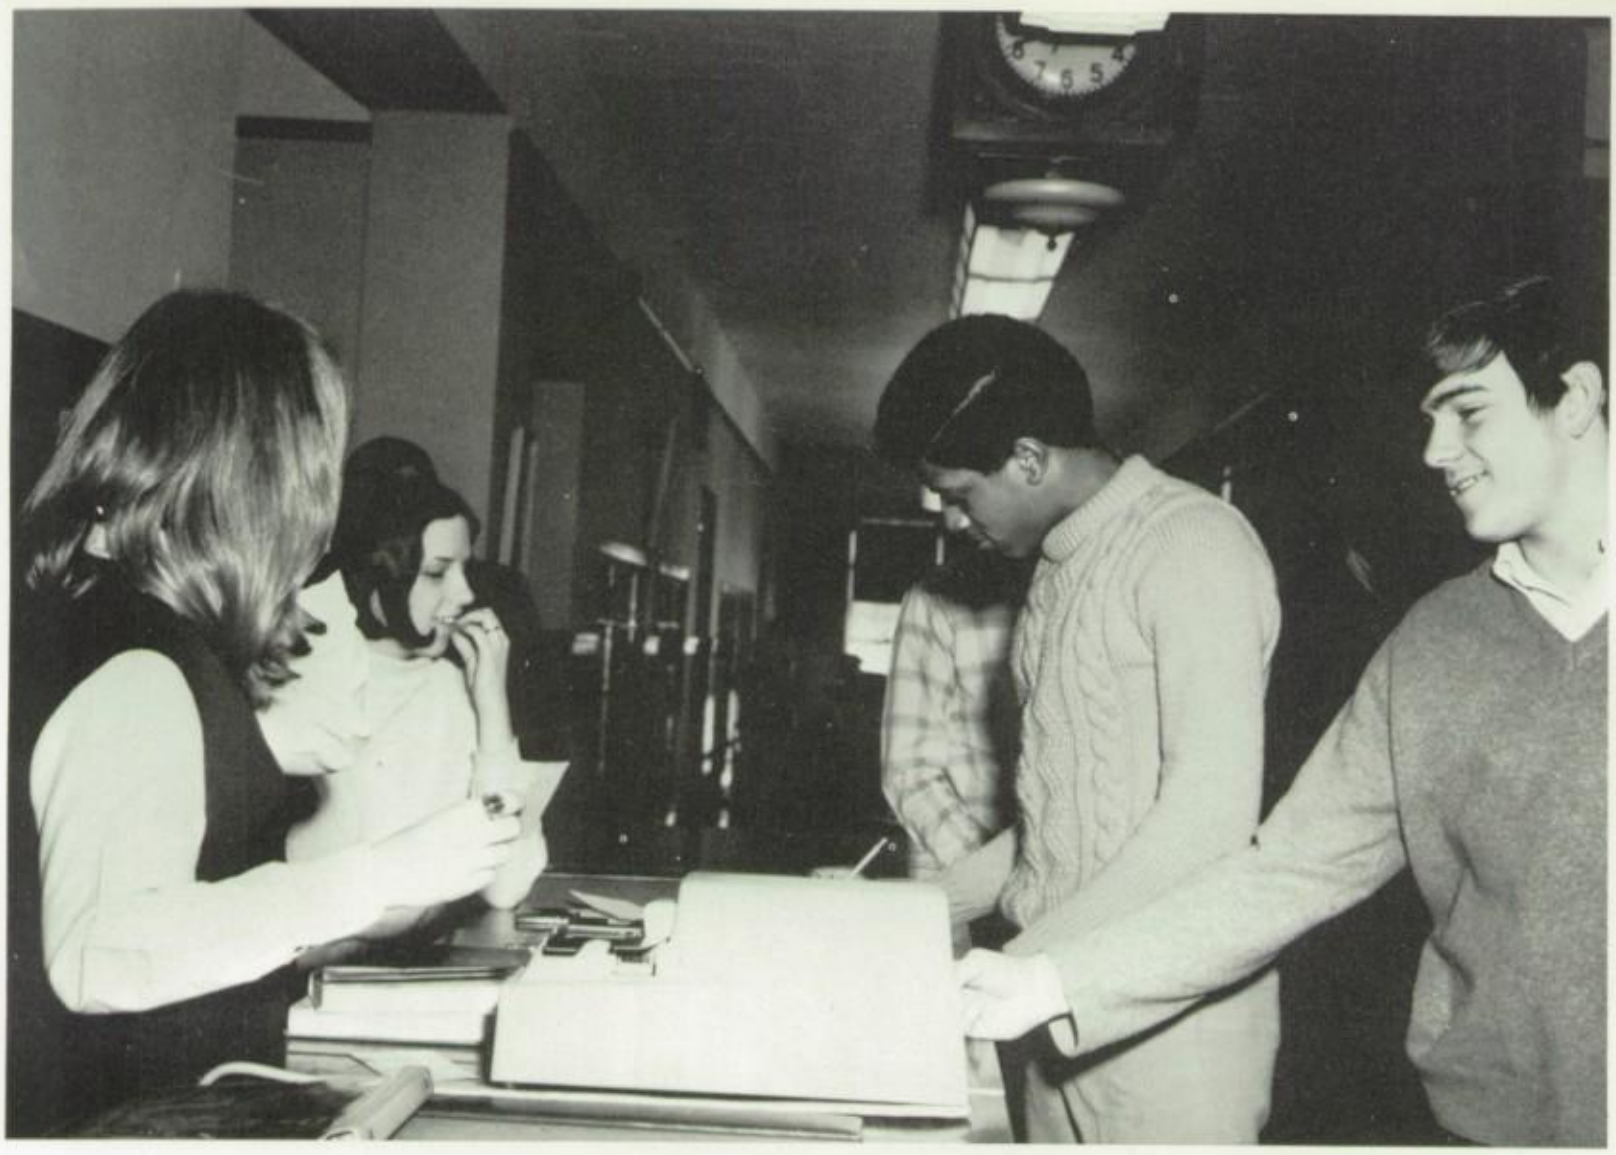
I don't believe it! You passed!

You say you both had malaria Friday?

What a way to spend an Easter.

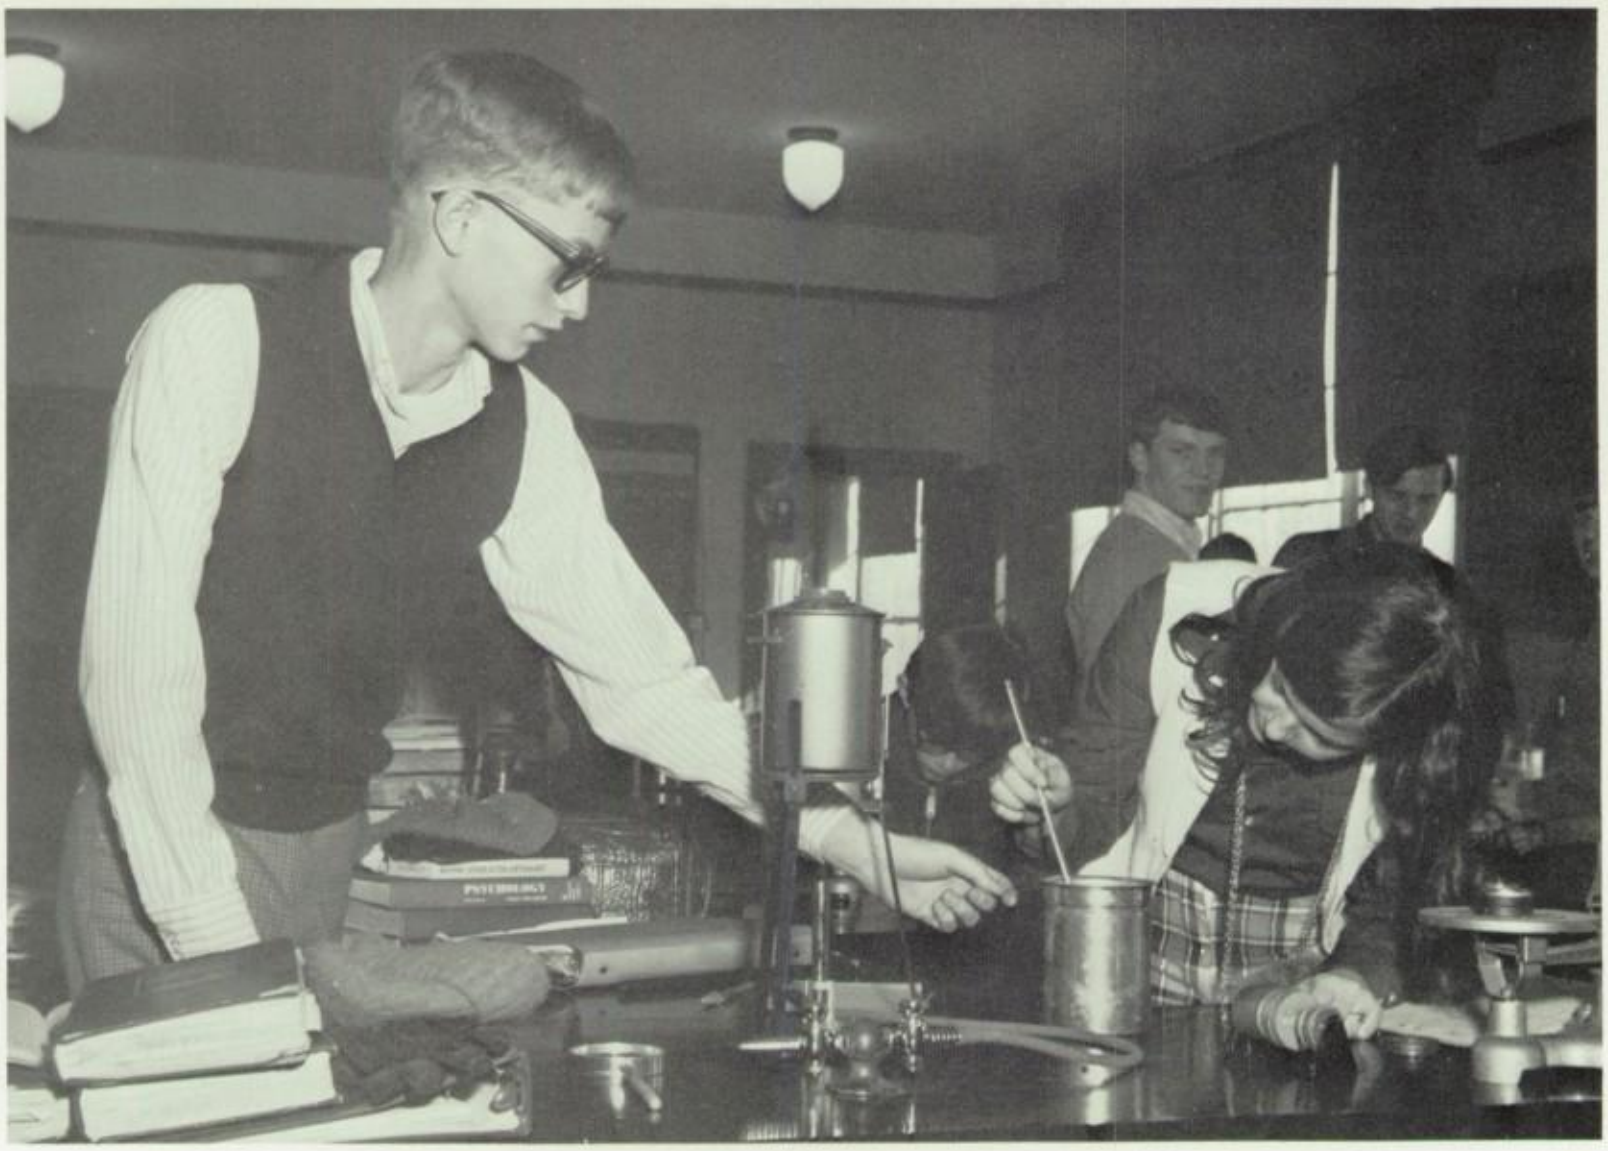
"You're right, Sherlock!" "Elementary, my dear Watson."

Another note from the Green Phantom.

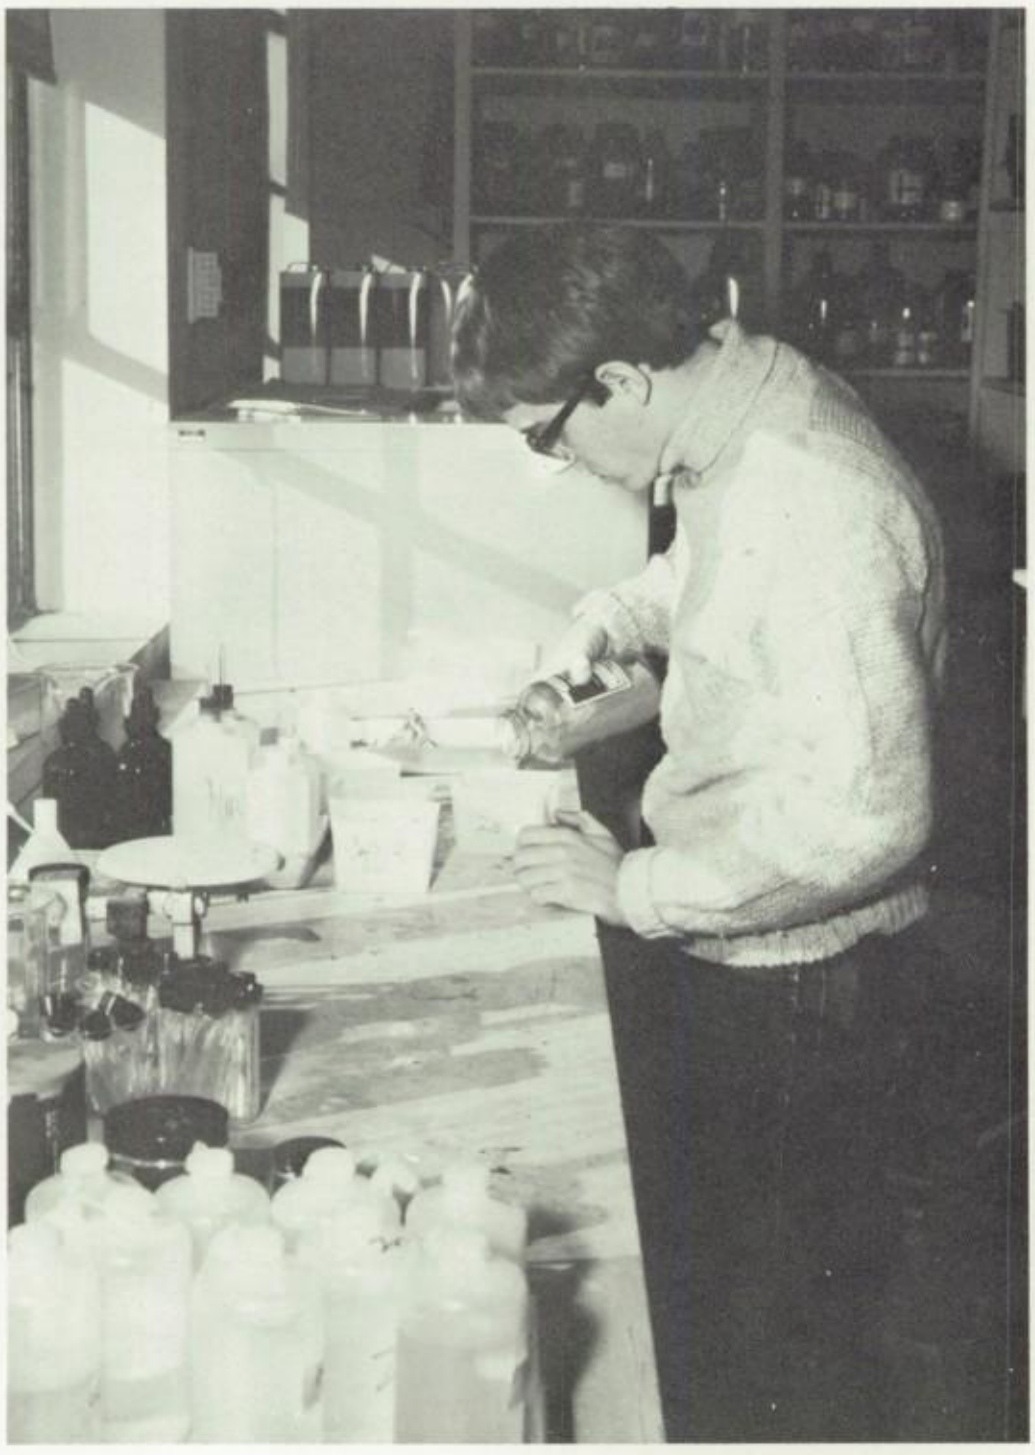


Gee, his autograph . . .

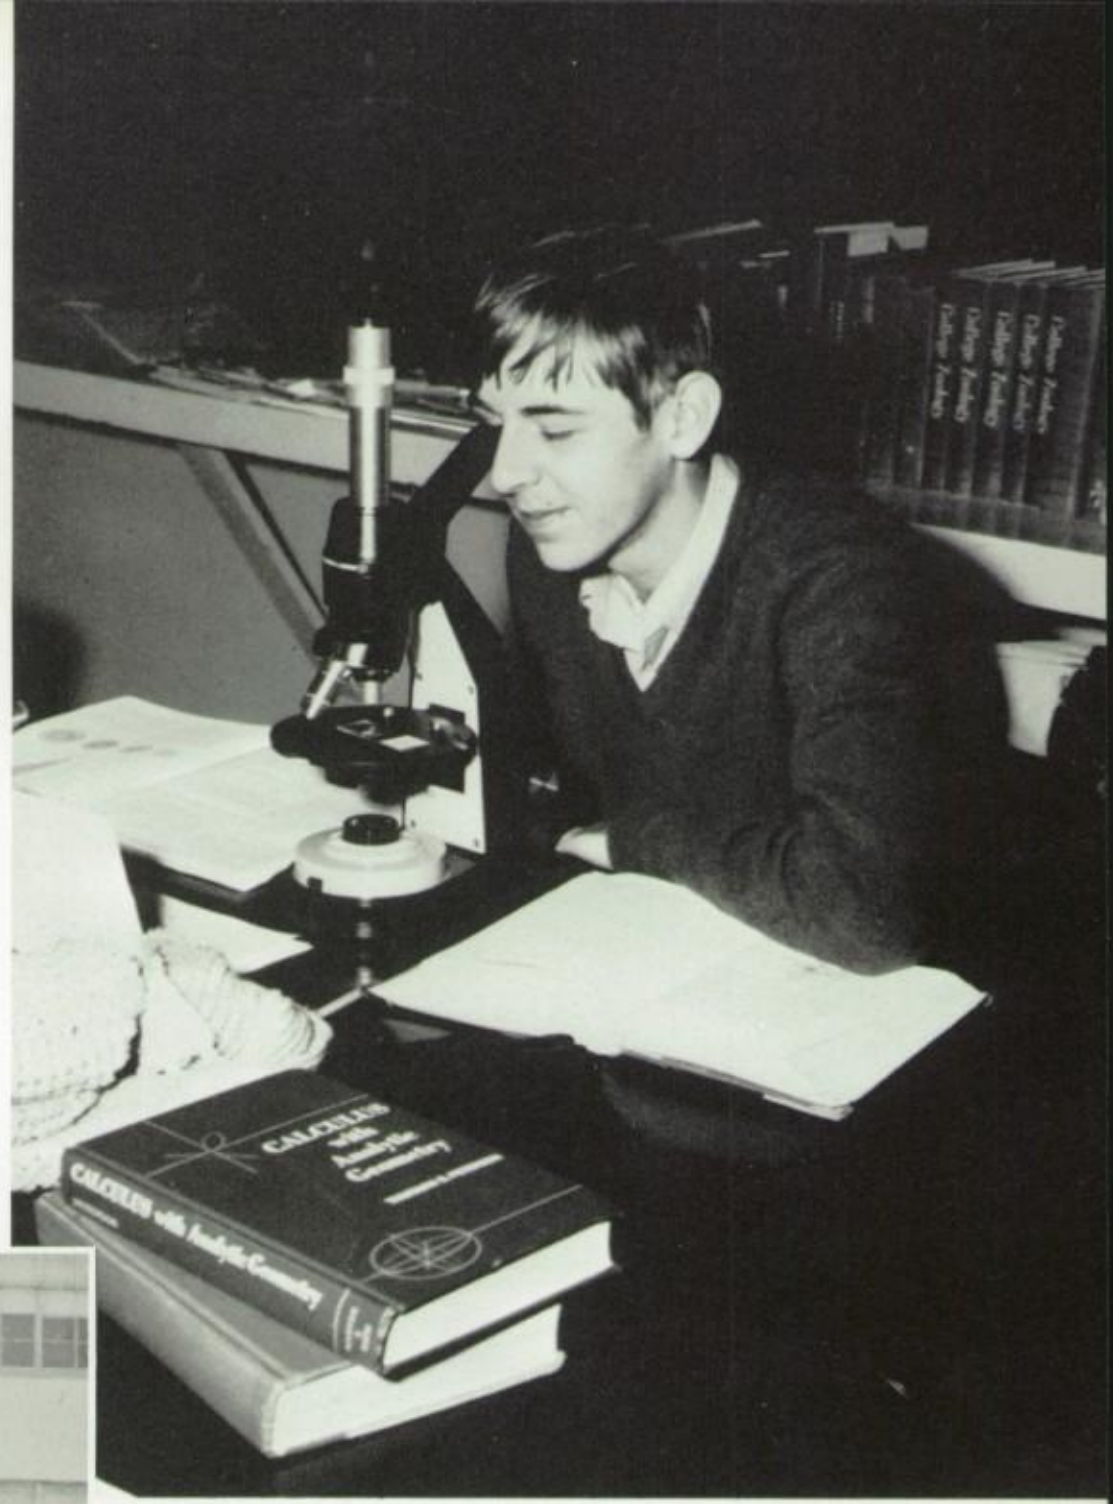
Females give me a headache!



312°! Let me see that thermometer!



Do you use one or two cups for brownies?



What a peep-show!

Simon says, "Thumbs up!"

Always one in the crowd.

Maury, you don't use bubble bath to clean an engine!

Peek-a-boo!

This is the third time I've tried to make it up this hill!!

Superwelders!

Quick! Help me get this paperclip off my tongue!

ACTIVITIES

CALAMITY JANE

Calamity Jane is a musical comedy based on a screenplay by James O'Hanlon. The music is by Sammy Fain and the lyrics by Paul Francis Webster.

The time is 1876 and the setting is Deadwood City, Dakota Territory. The story has a mix-up of romances. Calamity thinks she is in love with Lieutenant Danny Gilmartin, who has eyes only for the dance hall girl, Katie Brown. Wild Bill Hickok also has eyes for Katie. In the end everyone is matched up properly – Wild Bill and Calam, Danny and Katie. All ends well as the Deadwood Stage Honeymoon Express leaves with its happily matched couples.

SPORTS

'69 FOOTBALL REDBIRDS

The Redbirds had a frustrating year as the season rolled on more and more underclassmen found starting berths. The summer ended and football kicked off with two fine games. The Quincy Blue Devils were turned homeward on the heels of a 26-6 defeat as the Birds began work for the cross-town rivals, the Marquette Explorers. The Redbirds romped to a second victory 48 zip.

The Redbirds then hit the road, traveling to Parsons Field for a night game against the E. St. Louis Flyers. In a disappointing 8-6 game the Redbirds got their first taste of defeat. They returned home to face the Warriors of Granite City and their second consecutive loss by only 2 points, this time 16-14. The following week a quick, aggressive St. Louis U. team invaded Public School Stadium. The Jr. Billikens left with a 35-6 win. The Redbirds met the visiting Tigers of Edwardsville on a rainy afternoon in a mud-filled contest. In the end the Tigers slid to a 13-8 victory

Conference Champions Belleville West hosted the Birds, but proved not too hospitable as they defeated Alton, 26-16 in a hard-fought battle. Alton bounced back against Collinsville's Kahoks in a well-played game 26-6. Alton made quick work of the Wood River Oilers as they trounced them 42-18 on the Oilers' home field.

The season ended on a somber note as the Birds traveled to St. Louis CBC and engaged in battle in frigid weather with scattered snow flurries. The dimly-lighted field provided little aid as the Cadets won 43-8.

The team wishes to thank the Booster Club and student body for their support throughout the season.

The TATLER Staff congratulates the team and coaches Yonkus, Koenig, Iman, and Thorpe on their valiant effort throughout the season.

The defense closes in.

In 1969 Alton High's track team was one of the strongest in the school's history. Our team handily won their own Alton Invitational Relays and followed with first place finishes in the Mineral Area Relays, the Conference Relays, Madison County Meet, East St. Louis Relays, Southwestern Conference Meet, District, and as the finale, the State Meet at Champaign.

Backed by strong depth, a great number of individuals had sensational performances. In the district our performances were good enough to qualify six individuals and two relay teams for the state meet at Champaign. Those individuals qualifying were: Gale Murphy – 100 and 220 yard dashes; Milton Johnson – 440 yard dash; Doug Mendenhall – pole vault; George Gilchrest – long jump; Oscar Wallace – long jump; Jim Scruggs – relay team; Roger Bower – relay team; Charles Ross – relay team; Gerry Wilson – both relay teams. This is the first time in the school's history that all the individuals and all the relay teams that Alton has taken to date qualified for the finals. In the finals, Alton made just as strong a showing as in the qualifying rounds. Gale Murphy finished third in both the 100 yard dash and the 220 yard dash. Milton Johnson started the day by finishing third in the open 440 yard dash; and later he anchored the mile relay team, which finished second, with a time of 47.5 for his quarter mile. Doug Mendenhall was one of the 13 pole vaulters in the state that qualified for the finals and he tied for eighth in the finals. Jim Scruggs and Gerry Wilson were two key parts in the winning 880 yard relay team. Roger Bower and Charles Ross helped in making the mile relay turn in the fastest qualifying time. Our long jumper did excellently, too. George Gilchrest finished sixth, but Oscar Wallace finished first. In doing this, Oscar set a new state record of 24′ 6¼″.

Alton High should be proud of its state championship track team. The team couldn't have made it without the support of the other team members. Those members who did not go to state but helped the team were: Regan Steiner – discus; Tim Fisk – shot put; Kevin Dooley – high jump; Steve De Sherlia – pole vault; Elijah Burgess – two mile run; Terry Mitchell – discus; Jim Merkle – 100 yard dash; Phil Taul, Kevin Dooley, Andy Cannon, Vernie Kidwell, Roger Minton – shot put; Don Sackman – hurdles; Pat McCahil, Bruce Graves, Dennis Carrol, Steve Pitts, John Elliot, Bill Scheffel, Martin Medhurst, Steve Krummelbein, Don Purcell, and Tom Landre.

The TATLER Staff wishes to congratulate our state championship team and their coaches: Mr. Wigger, Mr. Middleton, Mr. Stavros, Mr. Miller and Mr. Diddlebach on their excellent season.

BASEBALL

Alton High fielded one of the finest teams in its baseball history. Despite the many early season rain-outs, Alton jumped to a 10-0 mid-season record. The team ended regular season play with an impressive 15-5-1 record which included no-hitters by Gary Hagen against Granite City, Alan Cruthis against East St. Louis, and Rick Reidt against Southwestern. For the second straight year Alton claimed the Southwestern Conference Baseball crown.

Alton entered the State Tournament as the Roxana District favorite and came through with victories against Roxana and Marquette. Proceeding to the Edwardsville Regional the Redbirds downed Dupo and Granite City to capture the regional at Staunton. Reidt's second no-hitter, against Pittsfield, followed by a win over Springfield Griffin, earned Alton a berth in the State Finals at Peoria. In the quarter-finals the Redbirds were edged (3-2) by a fine Highland Park team.

Gary Hagen was named the right-handed pitcher on the State All-Tournament team. Three Alton players, Dan Conners, Rick Glazebrook, and Gary Hagen, won positions on the Post-Dispatch All-Metro team.

Hagen was also drafted and signed by the Atlanta Braves Professional Baseball Organization.

The TATLER Staff congratulates the team, Coach Tyler, and his assistants, Coaches Macias and Yonkus, on another outstanding season.

BASKETBALL

Our Alton High cagers opened their basketball season with a two point loss to a strong Mount Vernon ball club. Their next game was against East St. Louis, our first conference win. Then our Redbirds traveled to Edwardsville for their first away game where they racked up their second conference win. We then traveled to Belleville East where we lost a hard fought 71-66 battle to a team which was in the top eight in the state last year. Alton then racked up its third conference win against Woodriver. In our final game before the Carbondale Holiday Tournament our Birds defeated a good Jacksonville ball club.

In the Carbondale tournament we upset second seeded Meridian 70-65 in the first round, and were defeated by Marion in the second round.

Upon return from Carbondale, our Redbirds defeated favored Collinsville, 85-84 on two free throws by Don Koppenhaver in the last six seconds. High point man for the Redbirds was Don Koppenhaver with 34 points. The game was a superb team effort. The next night Alton was defeated by Mater Dei.

Traveling to Belleville West, they overcame an 88 point difference to defeat Belleville by four points. Ron Caldwell chalked up 35 points in that contest. The following night, Alton suffered their first conference loss to a good shooting Granite City ball team.

At this writing, Alton High's Redbirds are 5-1 in the conference and 7-5 overall with eight games and the Belleville East Tournament remaining.

The TATLER Staff wishes continued success to Coaches Sterret, Miller, and McPherson, and the players for the remainder of the season.

GOLF

Last year Alton's golf team compiled an excellent 10-3-1 record. They lost twice to Belleville West and once to Edwardsville, and tied Granite City. Our team finished second to Belleville West, State Champions, both in the conference and the district.

Alton had some fine senior golfers in Paul Springman, Tim Wickenhauser, and Don Schroeder. Our junior golfers were led by John Fischer, who had the best record of any Alton golfer. Other lettermen are Cliff Emmons and Steve Vassier. With the help of Dave Cousley, Jeff Edgar, Gary Barton, and David Lock, Alton should expect another fine season.

The TATLER Staff wishes to congratulate Coach McPherson and his team on their excellent season.

The Alton cross country team had a season of many successes and a few disappointments in 1969. They sparked a 7-0 record in dual and triangular meet competition.

The Redbirds started the season's flight at the second annual Big Ten Meet finishing second to Kirkwood, the Missouri state champions. With ruffled tail feathers, the Redbirds obtained sweeping victories over St. Louis U. High and Quincy. They barely defeated Southwestern Conference rivals, Belleville West and Collinsville, on a rainy, very slippery Collinsville course. With wings dampened a little, dual meet competition continued with victories over Collinsville, Hazelwood, Woodriver, and Vashon. Alton traveled to Peoria to place seventh out of forty-one schools in the Peoria Invitational Meet. A tough Beaumont Invitational Meet of thirty-one schools saw Alton finish second to Kirkwood. The Redbirds, upset by Belleville West in the Southwest Conference meet at Alton, came back three days later to win the District Meet over the same course. The Sectional Meet at Springfield proved to be one of the few disappointments. Our Redbirds finished fourth, qualifying one man, Elijah Burgess, for the State Meet.

The sophomore squad had an outstanding season with an undefeated performance; promising to be a fine team in the years to come.

The TATLER Staff thanks the boys for their efforts this past year. Coaches Wigger and Middleton deserve special recognition for their fine handling of the team.

Simpson on a return.

The tennis Redbirds added to an already impressive sports year at Alton High. Coach Sterrett's team, with an admirable 9-4 season record, finished third in the Southwestern Conference standings. Alton placed Kim Barnett and fourth-seeded Robert Simpson in the District match at Granite City in the Singles Division. In the Doubles category Alton sent Jack Groppel and Bill Wicks, who were seeded number one.

Groppel, earning 33 points, compiled one of the best individual records in recent years. Simpson also turned in an outstanding record with his 30 points.

Congratulations to the team and Coach Sterrett from the TATLER Staff.

The Alton High varsity wrestling team is in its third year of existance, and with over forty boys participating shows some promise for the future. At this point of the season our record is 1-5-1, our only win coming against Mascoutah. We also finished third in our own Alton Tournament. With such a dedicated group of boys there should be an improvement. We wish the best of luck to Coach Iman, Coach McIntire and the wrestling team for the remainder of the season and in the coming years.

I'll pretend I don't see them and maybe they'll go away.

I changed my socks, I used my mouthwash,
I . . . but still nobody sits by me!

All together right now . . .

. . . and Christopher Robin said to Winnie the Pooh . . .

Once a head . . . always a head.

All right, hand over the water pistol!

IN MEMORIAM

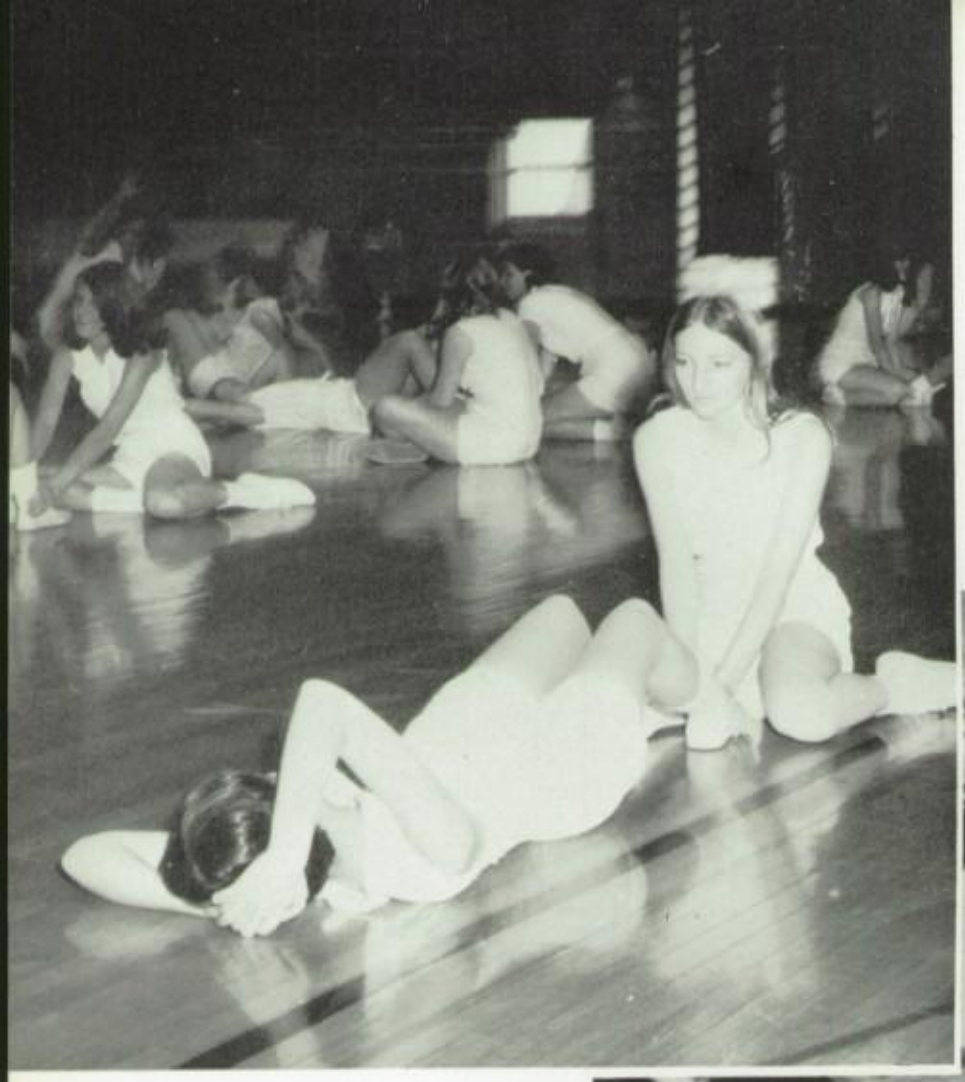
WILMA EILEEN JAMES

December 14, 1954 – October 17, 1969



Come on . . . you've only got 406 more to do.

You can't catch me; I'm the gingerbread man.

How much is that doggie in the window?

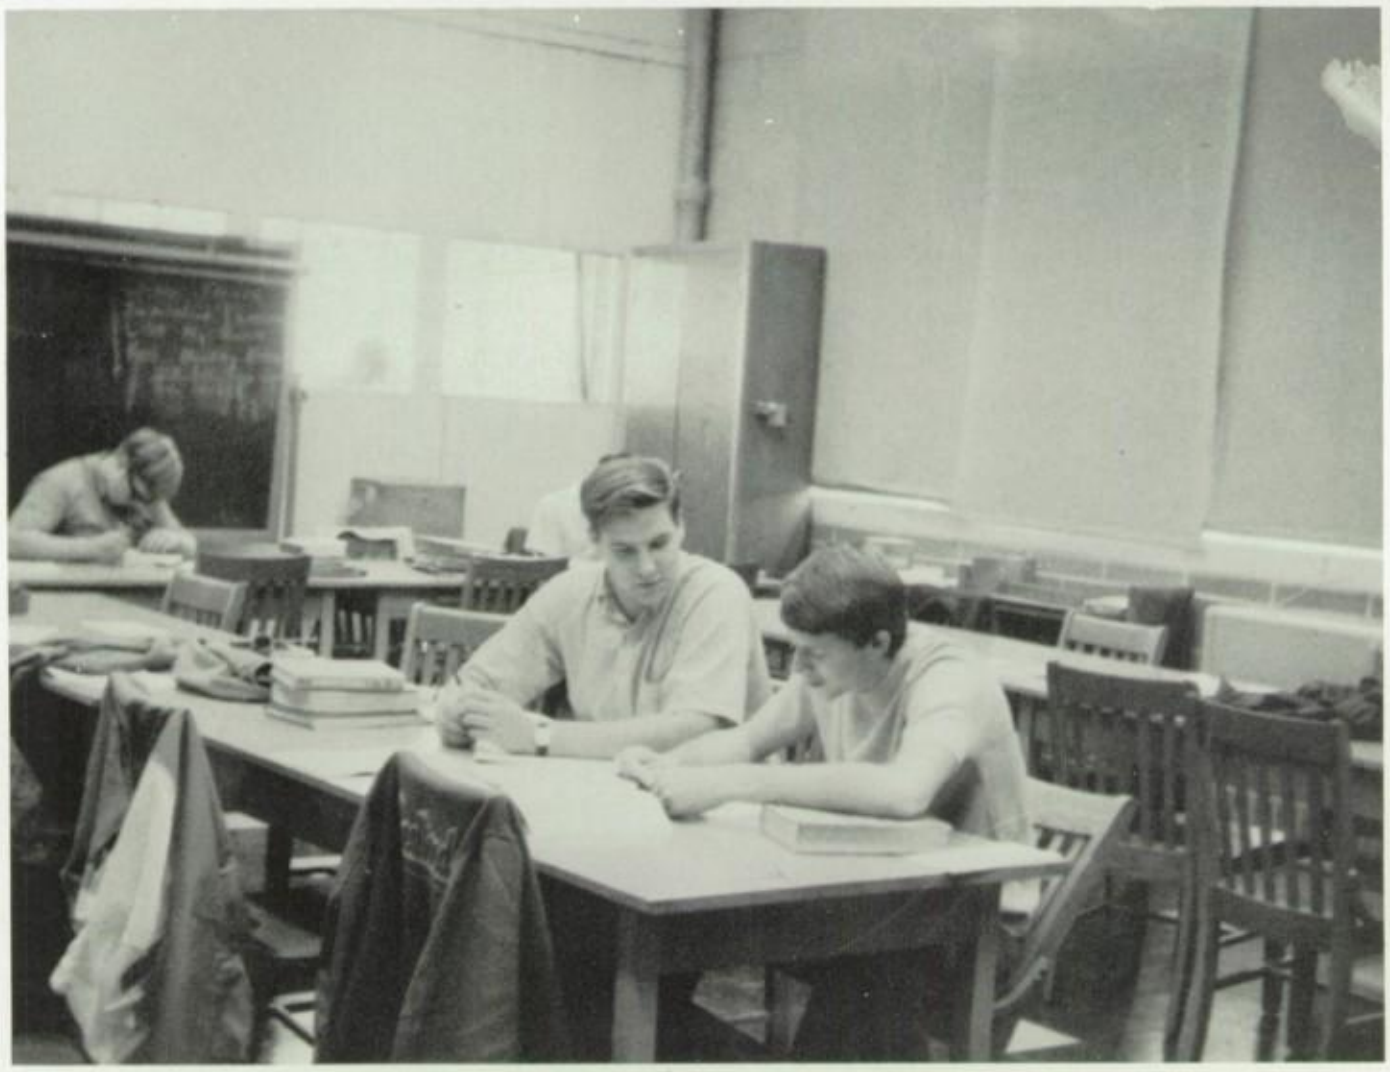
If Uncle Sam don't want you – we do!

Candidates for the boobyhatch.

I'm the good student in Room 222.

Up the down staircase.

Come out – I know you're in there somewhere!



Very good! Next question – where does milk come from?

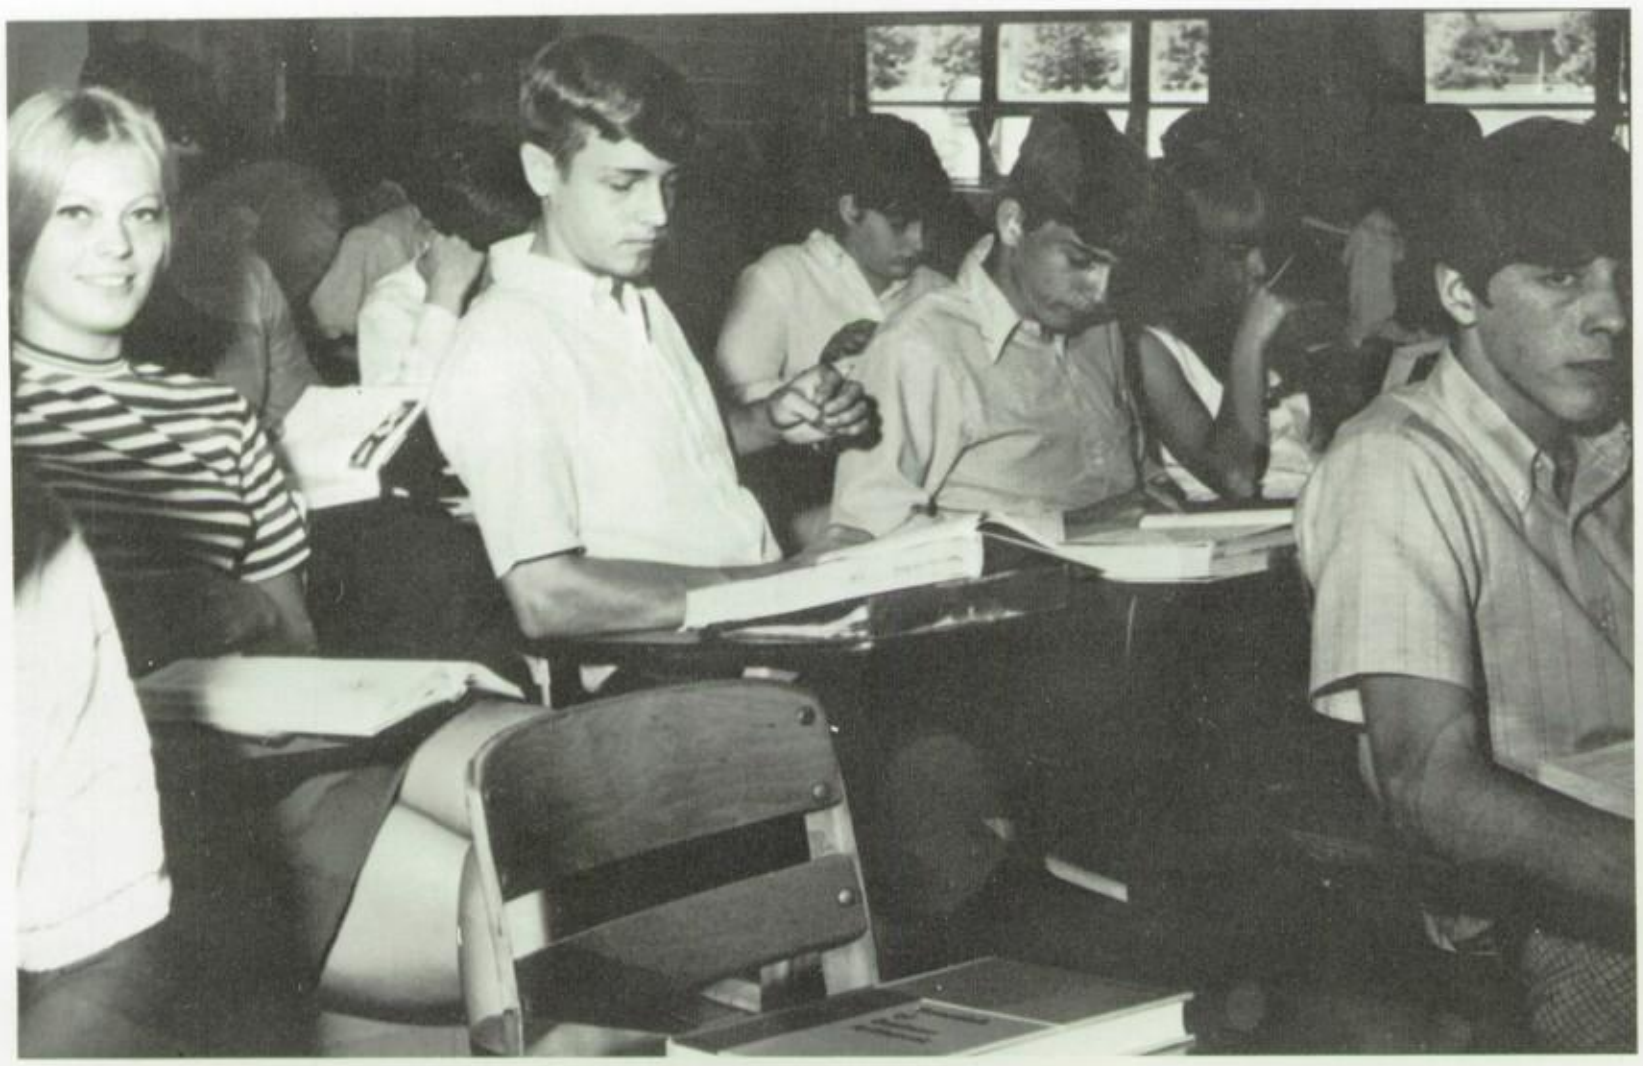
A-A-Choo!

Fog comes on little cat feet . . .

Don't you think she'll suspect something if we all turn in the same book report?

It protects my ears when they hit a sour note.

The American Beauties on their way to lunch.



Every Literature bit hurts!

Be careful! These are the same steps I fell down yesterday.

Today's lunch – tomorrow's indigestion.

EDITOR'S MESSAGE

To the Alton High student body:

This is your 1970 TATLER. You made it according to the high standards you set. This TATLER is a record of your life at Alton Senior High School during 1970. It is a record of clubs, activities, honors, victories, and defeats. It shows the good times and the bad times. Adults point out that when you graduate, your life is just beginning. This is true. The TATLER tries to help you remember the expe-riences you encountered in high school and keep them a high point in your life.

I would like to thank and congratulate each member of the 1970 TATLER Staff for the contributions they made in creating this book. Special praise is deserved by Lou McWhorter and Anne Schrimpf for the great job they did as Co-Editors and by Mr. Livengood for his constant help as advisor. Mr. Livengood's encourage-ment and sound advice helped the 1970 TATLER Staff to make this TATLER as excellent as possible.

We present this TATLER to you, the student body, who deserves the very best.
